

March 2026

Thank you for your interest in becoming a Hospice Income Generation Network trustee.

As a membership charity, we provide training and networking opportunities for fundraisers and marketers working in UK hospices.

Our [HIGN trustees](#) are themselves fundraisers or marketers in a UK hospice and support HIGN's work in a voluntary capacity in and around day jobs.

We all take an active role in supporting the delivery of HIGN's education programme, as well as shaping the organisation's strategic development.

We are looking to bring on board a number of additional trustees to support the evolution of our training and networking objectives.

We'd like to have representation on our trustee board for every region of the UK. We are looking particularly for trustees to join us from the following areas:

- Scotland
- Northern Ireland
- North East England
- Midlands
- South Wales
- South East England

We would of course be interested to still hear from people from North West England, North Wales, South West England or London - to have extra representation for areas in which we already have trustees.

Our trustees are in different level roles in our respective day jobs; joining the HIGN board provides a good mix of being able to use existing expertise and specialist knowledge, as well as providing the opportunity to learn new skills and develop more confidence with broader aspects of charity governance and leadership.

We are proactively seeking applicants from all levels of roles – we think it's important for us to have a range of operational and strategic experience to bring to HIGN's plans and discussions. Our trustees are treated equally and big decisions are made together.

Being part of our HIGN board also brings great benefits and allyship in being able to access a much deeper pool of support and advice. Retired HIGN trustees remain an essential part of that collective wisdom we are all able to tap into.

We're a friendly, welcoming and supportive group of passionate fundraisers and marketers and we'd love for you to join us!

Link to our [HIGN trustee role description](#). Link to our [online application form](#) if you wish to apply.

Please let me know if you do complete it, so that I can discuss your application with my fellow trustees.

Successful candidates will be asked to sign a [HIGN trustee code of conduct](#) form, and a [HIGN trustee conflict of interest](#) form, which are linked for your information.

If you'd like an informal chat before applying, please contact me on any of the details below.

Many thanks

Teresa Nightingale, chair of trustees
