

Knob Noster High School

A+ Program

Leslie Brown, ED.S
School Principal

Amie Wheeler, MS
School Counselor/A+ Director

A+ Student/Parent Agreement

Mission of Missouri's A+ Schools Program

"All students will acquire the knowledge, skills and attitudes necessary for success in school, in the workplace and in life."

I understand the following statements:

- Students must have attended a designated A+ School for three (3) consecutive years prior to graduation (a military exemption is available for military dependents moving into the district as a direct result of a military transfer).
- Graduates from a designated A+ School with an overall 2.5 GPA (grade point average) or higher on a 4-point scale.
- Have at least an overall 95% attendance rate for grades 9-12.
- Perform 50 hours of district-supervised unpaid tutoring or mentoring of other students, of which up to 25% (12.5 hours) may include job shadow. Job shadowing must be set up through the A+ Director.
- Maintain a record of good citizenship and avoidance of the unlawful use of drugs and alcohol. Use of drugs or alcohol will immediate result in loss of A+.
- Achieve a score of Proficient or Advanced on the Algebra I EOC exam.

To maintain eligibility while in college/technical school, each designated A+ student must be enrolled as a full-time student and must maintain a 2.5 GPA or higher on a 4-point scale.

This agreement signifies it is my intent to meet or exceed the above noted eligibility criteria that may allow me to participate in the A+ Student Tuition Reimbursement Program. If I successfully meet the criteria set by Missouri State Law and have made an effort to secure federal assistance (FAFSA) that does not require payment, the State of Missouri may provide for the reimbursement of the cost of tuition and common student fees.
