

Outreach Educator Fellowship Packing List

Welcome to Dunes Learning Center! We are excited to have you join the team.

You will be sharing a house with other Dunes Learning Center educators. Each of you have your own private bedrooms and will be sharing the common living space. The house is fully furnished, has internet, a television and the kitchen is stocked with all necessary kitchenware. Each bedroom has a bed, closet, dresser and lighting.

Friends of Indiana Dunes has graciously provided funding for Dunes Learning Center to purchase a new backpack for each new Outreach Educator! You may choose whatever backpack suites you but it must be within the following guidelines:

- 40-50L
- \$120 or less (if you find one a few \$\$ over budget that is fine if you'd like to cover the difference. Just check with Erin for approval)
- Comfortable to wear for extended periods of time hiking in rugged terrain (pay attention to those straps)
- Email Erin Crofton ASAP with the link to the backpack of your choice at ecrofton@duneslearningcenter.org so that we can have it ready for you near check-in.

Below are the items we suggest you bring with you for your year with us:
