Will do/Won't do

Will do first

As you can see, I draw **lesbian sex** most of the time. If you want lesbian sex, you're always welcome.

I draw **hetero sex**. Do not be afraid of asking me about it.

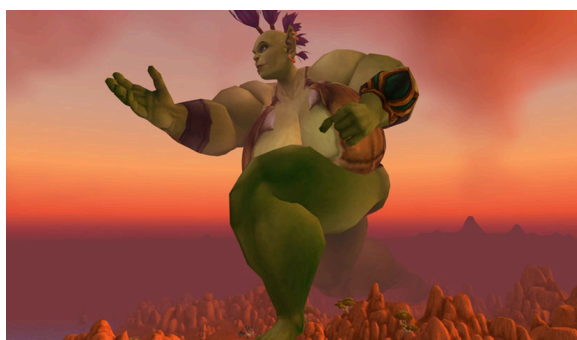

And I draw **gay sex** as well as all other above.

Futanari is fine!

Exhibitionism is cool,
especially when it's a part
of feminization kink.

Macro/micro/vore are all
acceptable

Huge group of participants,
if it's not non-consensual.
You must pay for each
participant of a scene.

Furry is my specialization!
So no problem here at all.

Forced sissification of guys/bimbofication of tomboys is my favourite kink!
20% discount for this type of commission!

Questionable

BDSM is also ok, but remember: no blood, no guro, no amputations, no castrations, no choking. Avoid extreme violence.

Totally won't do

	I will not draw <i>non-consensual kink</i>. Make sure your characters don't cry or look afraid.
	<i>Children</i>. I really don't care if she/he is a 228 years old demon.
	<i>Guro, extreme torture, amputations, disabled characters, also no scat</i> (Sorry, I have no cool picture related to scat)
No photo	<i>Real people</i>.
No photo	<i>Too complex pieces (complex background, mecha)</i>. This should be discussed anyway.
