

Listen to the six people and complete the missing information below:

Khadijah

I fly my aircraft. (1) [] on the weekends. I also enjoy flying into remote lakes to do some trout fishing.

Katya

I like to go (2) [] two or three times a week, but to be honest, I'm not interested in being a pilot. What really interests me is watching the (3) [] around the airport. I'm hoping someday I can work up in the control tower.

Darius

I like to go to the aircraft maintenance technician school three times a week, I like the fact that they have a gym. I really like running, (4) [] it's quite cold outside so I don't like to go running outside so usually (5) [] at the school and use the treadmill.

Geoff

Every week I go to the radar site. The radar is not at the airport so it is quite a drive on mountain roads. When I arrive I try to do the maintenance (6) []. Once I'm done the work I report to the maintenance supervisor that the weekly (7) [] is complete.

Kurumi

To keep the aircraft in flying shape, I try and (8) [] once a week. This way I can accurately schedule the work required on our different aircraft to ensure that the fleet is (9) [] for dispatch.

Larissa

As the airport manager I do a daily inspection of the airfield and attend the weather briefing first thing in the morning. This way I can know if my airport is ready to conduct flight operations during the day and evening shifts. (10) [] on the airport after that, we deal with as needed.
