

EDEN

It's been how long since you last died? Since recording your notes for Red Tail? Or has it happened again? Because it seems like it's happened again and you've neglected to tell me.

BLAIR

[A SIGH]

Look. It was yesterday. I felt fine.

EDEN

We had an agreement.

BLAIR

You had an agreement! I don't like being treated like some- I don't know. Anomaly.

DAKOTA

In case you've forgotten, you kind of are an anomaly, Let Eden do her job.

BLAIR

Oh shut up and stop acting like you care.

DAKOTA

I do care actually. I'd rather you be normal and not screw up my archives!

BLAIR

[INTERRUPTING]

Normal? You want me to be normal. God Dakota can you ever get a fucking grip!

EDEN

Enough! Dakota out.

DAKOTA

Fine. I'll be in the library.

DAKOTA

I know Eden holds us all together in a sense, but they could at least take my side once in a while. She knows what happened. Hell they all know what happened and they still pick her.

[RECORDER BEEP]

MARSHALL

Thank you. I love you.

DAKOTA

I love you too.

[RECORDER BEEP, AUDIO REWINDS, RECORDER BEEP]

MARSHALL

Thank you. I love you.

DAKOTA

I love you too.
