What's my goal for the lesson?

- determine a main idea and how it is developed
- explain how an author develops his or her ideas with particular sentences, paragraphs, and sections of text
- analyze how an author organizes his or her ideas for effect

Summary (What did you learn?-- ***complete this after reading your lesson***):

Pages 2

Please read through Page 2 to identify how a main idea is communicated effectively:

Question for your teacher?

What are the three things the writer needs:

- 1.
- 2.
- 3.

What are a few different types of evidence writers or speakers can use to prove their points?

Page 3

Page three helps you identify how King

Florida Virtual School, English 1
Lesson 2.03 Note-taking Guide

develops his main ideas and claim through the evidence he is using. Please take some notes about how King uses support to prove his points. <i>Question for your teacher?</i>	
Pages 4-6	
Pages four and five discuss the importance of organizing your point.	What are some of the reasons why writers organize their thoughts differently? What are some things you learned from doing the interactive guides about how King organizes his letters in the first three paragraphs?
