& Throwing Composite Forms
with Annika Hoefs

Please keep all purchase receipts in case items need to be returned.

- The material fee includes 20 lbs of Cone 6 stoneware clay, all firings and use of glazes on site. Additional bags of clay are available for purchase at TSA (note: all clay used at TSA, must be purchased from TSA).
- A basic pottery tool kit like these from [Tucker's Pottery Supply](#) in Markham or or [Pottery Supply House](#) in Oakville. TSA stocks a limited number of these kits for sale.
- Apron or large towel (clay is messy!)
- Any personal tools or paint brushes you would like to try and use with clay (some suggestions include: stamps, textured cloth/lace, carving tools, detail paint brushes, sculpting tools, etc.)
