

Veritas Academy Community Service Hours Verification

Mission:

- To facilitate, encourage, and support student volunteerism in the community in submission to the Great Commandment

Vision:

- To have every student serve a minimum of 70 volunteer (unpaid) hours at a charitable non-profit organization prior to graduation, with at least 35 of these hours completed in and around the Austin area
- To have prospective colleges see the student's commitment to service through the hours shown on the final transcript

Guidelines:

1. Select an agency or a project that is a **charitable non-profit organization**. This may include hours served within the Veritas community.
2. The student is responsible for reporting all hours to the Veritas office by submitting this form.
3. The student must print this form and take it to the volunteer site to have it signed by the supervising or site representative (a parent may not sign unless they are officially affiliated with the organization.)
4. Track all hours in your SCOIR account (in the "Activities and Achievements" section) then turn this form into the Veritas office so the hours will be calculated on the final transcript.
5. For service hours to count for House points they must be received by the deadline given by the Student Life Director.

Student Responsibility:

1. Enter hours in SCOIR
2. Submit form to **Miss Larson so she can count your hours for House points**
