

### **Purpose**

The Nursery Supervisor is responsible for providing quality child care in a safe, nurturing, and welcoming environment for children ages infant – 5 years. Childcare will be available during standard times such as during worship services, and at other educational or church events as agreed to with the Church Administrator.

### **Responsibilities**

1. Provide safe, healthy, and nurturing care for children
2. Arrive 15 minutes prior to the childcare start time to prepare the room for receiving the children
3. Manage the 'sign-in/sign-out' process so that there is an accurate log of children in the nursery care and those authorized to pick up the children
4. Provide a welcoming atmosphere for children and their families as they arrive
5. Closely monitor the dismissal process, ensuring the children are released to parents or those authorized by the parents
6. Ensure the room is picked up and clean before leaving for the day
7. Report any incidents involving accidents or injury using the "Incident Report" form
8. Check in with the Church Administrator at the end of each childcare session to provide a brief recap
9. Communicate any concerns, issues, or suggestions to the Church Administrator
