

Waynesburg 2024-2025 NTI Weather Plan (Kindergarten & First Grade)

Purpose:	Non Traditional Instructional Days will help combat potential loss of content knowledge and skill development due to cancellation of school.
Delivery Method:	Kindergarten & First Grade will be utilizing paper/pencil packets/ ClassDojo
Packet Distribution:	• Packets for NTI Days 1-5 will be distributed during September. • Packets for NTI Days 6-10 will be distributed pending weather/use of NTI Days 1-5.
Decision Making:	The Superintendent will determine when NTI days will be used based on the specific NTI program requirements.
Lessons:	Lessons will be standards based and will be designed to reinforce/remediate/practice and/or enrich previously introduced content .
Student Submission Due Date:	Students should try to complete the designated work on the NTI Day if possible and submit on the day they return. *All NTI Work should be submitted no later than 5 days from the NTI Weather Day if extended time is needed.
Teacher Help:	Teachers will make contact daily during NTI Weather days. You may reach them on Class Dojo or by Email daily from 8:00-11:00 and from 12:00-3:00.
Other:	We will implement up to 10 NTI Weather Days/Patriot Days this school year.
