Base Service

Service No. 586.318.100

The CSHW service provides districts with support in utilizing BOCES-loaned health and physical education equipment in their programs. Customized assessment, professional learning or other customized support.

This service also provides loans of health and physical education equipment such as kayaks, cross-country skis, portable fitness equipment, “Baby Think It Over” dolls, and many other resources to enhance instruction. Delivery of equipment is included as part of this service.
