SAT	470	480
INDUSTRY CERTIFICATE	Individualized	Individualized

Demonstration	English	Math
Advanced Placement (AP) - AP exams test students' ability to perform at a college level. Districts choose which AP exams will fulfill this menu option. Scores range from 1 to 5 (highest).	**A score of at least 2**	**A score of at least 2**
The Armed Services Vocational Aptitude Battery (ASVAB) – A comprehensive test that helps determine students' eligibility and suitability for careers in the military. Students who score at least 31 are eligible for service (along with other standards that include physical condition). Students who take the ASVAB are not required to enlist in the military.	**A score of at least 31**	**A score of at least 31**
Concurrent Enrollment - Concurrent enrollment provides students the opportunity to enroll in postsecondary courses, simultaneously earning high school and college credit. A passing grade is determined by district and higher education policy for concurrent enrollment. An eligible concurrent enrollment course is 1) the prerequisite directly prior to a credit-bearing course or 2) a credit-bearing course. *Concurrent Enrollment does not include postsecondary extended studies or articulated college credit.	**Passing grade**	**Passing grade**
Industry Certificate - An industry certificate is a credential recognized by business and industry and is an industry standard assessment for basic knowledge, skills, and competencies in workforce readiness. Scoring and pass rates are determined by the industry. An industry certificate may be local, state and/or nationally recognized and must be approved by the District. Industry certificates measure a student's competency in an occupation, and validate a knowledge base and skills that show mastery in a particular industry.	**Individualized**	**Individualized**
SAT (Scholastic Assessment Test) - The SAT is a college entrance exam that is accepted or required at nearly all four-year colleges and universities in the U.S. The current SAT includes sections on reading, writing and math. The highest possible score for each section is 800.	**A score of at least 470**	**A score of at least 480**
ACCUPLACER - A computerized test that assesses reading, writing, math and computer skills. The results of the assessment are used by academic advisors and counselors to place students in college courses that match their skill levels.	**A score of at least 62 on Reading Comprehension**	**A score of at least 61 on Elementary Algebra**
ACT - A national college admissions exam. It measures four subjects -English, Reading, Math and Science. The highest possible score for each subject is 36	**A score of at least 18 on ACT English**	**A score of at least 19 on ACT Math**
BV Local Essentials (Collaboratively developed, standards-based performance assessment - COL)– Standards-Based assessments developed and calibrated by BV School Teachers and approved as competency demonstration by the District. It is a component of capstone.	**Level 2+ or above on: Semester 1 or 2 in** **•Contemporary Literature II** **• Masterpieces of Literature** **• English - Individualized**	**Level 2 + or above on: Semester 1 or 2 in** **● Algebra 2** **● Pre Calc** **● Statistics** **● Calculus** **Math - Individualized**
