

Many of you over the last couple weeks/months have asked me for rapture signs. Or were quick to doubt me. I had started to shy away from talking about such things so as to not lead you into more sins by denying the rapture's existence or telling me that I am wrong in some way. I have seen a lot of signs, probably in the 100s or more. (I counted up to 252 here) I don't know if I'll get to all of them. (I did not get all of them) But God is asking me to not be selfish here and to share what I know and have seen and heard. So these are for you in order to benefit you after the rapture of the Bride of Christ has come to pass.

Some are dates, math, numbers, Revelation, tribulation stuff, Christ's character, and my own personal confirmations.

The Lord disciplined me because I was being selfish by not spreading all these signs around as much as I can. For that, I am sorry. You will probably have to look some of these up on your own as I unfortunately didn't flesh it out that well.
