This agreement must be completed, signed, and returned to the College and Career Readiness Office.

I understand and agree to pay the program fee for the 2026-2027 Full Time Dual Credit Program of \$2,000, which is broken down into \$200.00 per month payable in ten equal payments. The school district will pay for textbooks. I also understand that all monthly payments are due on the 15th of the month, one month in advance, with the first payment due on August 15, 2026. Payments can be made via PushCoin by check for free or by credit card (which incurs a 2.79% fee). Additionally, I understand and agree to pay all applicable school registration fees. (Students who qualify for a CUSD 303 fee waiver will have these fees waived.) *For two-year pathway students, this fee structure is applicable for both years.*

I understand that no partial payments will be accepted, that I will not receive a monthly billing statement, and that it is my responsibility to make sure that my payment is made via PushCoin on time.

I understand that there is no program fee credit or refund if a student withdraws from the program at any time after the D303 drop date.

I understand that there is a \$35.00 NSF check fee on all checks returned by my bank, and that payment of NSF checks must be made by a money order or credit card.

I understand that by participating in the Full-Time Dual Credit program, I am expected to:

- Access D303 and ECC email daily for important updates and communication with ECC and D303 faculty and staff
- Return all textbooks at the end of the semester, following procedures communicated by D303 and ECC
