simple targeted subliminal (one main goal with 10 benefits)
— \$10 USD : [here](#)

this option is focused on a single clear intention or topic. it is written with a high-density affirmation structure designed to fully immerse the subconscious in one direction only. perfect if you want something simple, direct, and effective without extra complexity.

complex subliminal (multiple benefits) — \$15 USD : [here](#)

This option is for more detailed requests that include multiple goals or layered intentions. It covers between 1 and 20 benefits, all carefully structured into one cohesive subliminal. **Each additional benefit beyond 20 adds +\$1 USD**

anatomically detailed carbon copy subliminal (face OR body only) — \$12 USD : [here](#)

This is a highly detailed transformation subliminal based on a specific face, body structure, aesthetic reference, or combination of inspirations. It is designed to replicate or reshape features with precision using advanced affirmation layering and intense focus structure. You may provide reference images, fictional characters, celebrities, or mixed inspirations to define the exact result you want.

complete carbon copy subliminal (face + body) — \$20 : [here](#)

This version includes both facial structure and body transformation in one full cohesive subliminal. It is deeper, more detailed, and structured for a complete visual identity shift using layered affirmation systems and enhanced reinforcement patterns.

single feature carbon copy (face or body feature) — \$12 : [here](#)

focused on one specific element such as jawline, doll eyes, waist, hair, height, or any isolated feature. this option is ideal if you want targeted refinement without a full transformation.

full page manifestation subliminal (250–350 benefits) — \$55 : ([here](#)) this option is designed for large, detailed manifestation lists including physical, emotional, lifestyle, or identity-based changes all structured into one full subliminal page.
