Strategic Rationale:

- ☐ Identify the problems and/or opportunities the project will address.
- ☐ Explain the existing conditions or critical circumstances that would compel ARC to fund this project.
- ☐ Describe how the project supports a regional strategy or plan.
 - o This project aligns with NEPA's Comprehensive Economic Development Strategies (CEDS) 2019-2024 Five Year Plan (<http://www.nepa-alliance.org/wp-content/uploads/2019-2024-CEDS-Five-Year-Plan-Draft.pdf>), specifically addressing (cite specific Goal, Objective, and/or strategy verbatim).
 - o This project aligns with Governor Shapiro's 10-Year Economic Development Plan for Pennsylvania, (https://pagetsitdone.com/wp-content/uploads/EconomicDevelopmentStrategy-D CED_2024_FINAL.pdf) specifically addressing (cite specific Strategic Initiative verbatim).
 - o
- ☐ Explain how this project will contribute to sustainable economic development in the service area to be impacted.

Collaborative Partnerships: Identify local, regional, state and/or federal partnerships that will support the project.

Project Sustainability & Capacity:

- ☐ What is applicant's previous experience in managing federal funds for a similar activity?
 - o This organization has a documented history of successful grant management efforts with various foundation, state, and federal funds and is able to complete the full lifecycle of the grant application process from submission to closeout.
- ☐ Explain how the project will be sustained once ARC funding is no longer available.

Impact Measures:

- ☐ *Identify projected, quantifiable output and outcome measures, consistent with ARC guidance (include any leveraged private investment resulting from the project)*
- ☐ *Choose/edit your outputs and outcomes from the following format:*
