

Rank One is our online platform for athletic forms. All physicals will need to be uploaded to this platform and you will sign all Student Eligibility Forms (Concussion, Sudden Cardiac Arrest, Heat Policy) through RankOne.

To access RankOne, please use the provided link: <https://www.rankone.com>

Please read the attached instructions guide and watch the tutorial video linked in the document. The guide provides step-by-step instructions on how to set up your parent account.

Once logged in, you will be required to enter your Student's First Name, Last Name and DOB (Date of Birth) to claim your student(s). You can claim multiple students within one account. You do not need to create multiple accounts if you have more than 1 student-athlete. Once you set up your account, you will not have to set it up again.

The required DIAA eligibility forms will now be electronically signed through this portal.

Page 3 of your child's physical will need to be uploaded to the "Medical Card Upload Form" within Rank One. You can download the 3-page physical form in the "Downloads" section in your RankOne account.

If you have any questions about the process, please email Athletic Director Todd Fuhrmann, todd.fuhrmann@irsd.k12.de.us, to better assist you.

There will be 4 forms you need to complete inside of Rank One:

1. **DIAA Eligibility Form** – *must be completed before proceeding with other forms*
2. **Medical Card Upload Form**– Upload Page 3 (Student Athlete Medical Card) of the Physical form – jpeg or pdf. Pages 1 & 2 remain with your medical provider's office.
3. **Pre-Participation Consent Form** – This consolidated form includes the Sudden Cardiac Arrest Awareness, Heat Policy Awareness, the Concussion Awareness, & Consent to Treat.
4. **Emergency Contact Card**

Double-check that each form is submitted and shows as **"Complete."** (green)

It is recommended for parents and guardians to download the RankOne App. The app allows you to access all forms and information for your student from your phone. Once your student-athlete is placed on a team roster in Rank One, you will then have access to that team's information and communication from the school and coaching staff.
