Product Monin Flavored Syrup, Vanilla, 33.8-Ounce Plastic Bottles (Pack of 4) Details

To create the finest Vanilla syrup in the world, we start with the finest Vanilla extract in the world. For more than 90 years, Monin has been using premium Vanilla extract from Madagascar. This pure extract is what gives Monin Vanilla the superior taste that makes the difference in your recipes. Vanilla is a well known accent for coffee beverages. Monin Vanilla is an excellent choice in a wide variety of applications, from cocktails to cream sodas and culinary.
