## Category 1: Unacceptable low contrast

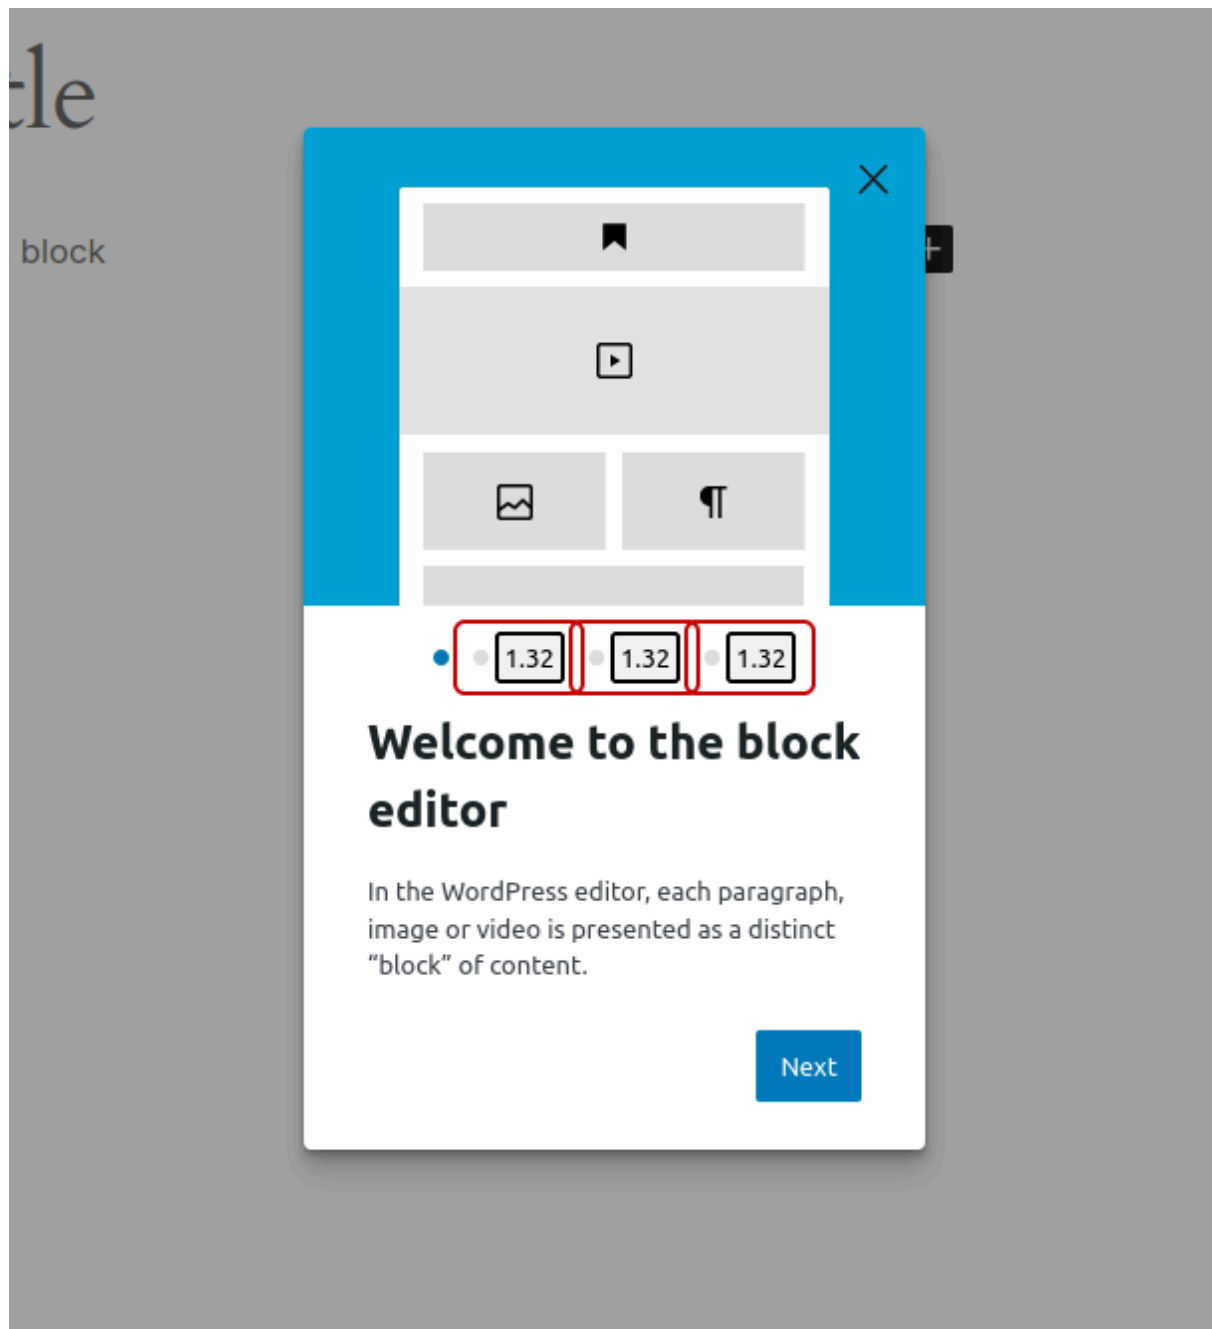

### WP-admin/ Dashboard /Home

- **Where:** Dashboard meta boxes icons
  - **What:** Icons contrast below standard

The screenshot shows the WordPress Dashboard Home page. At the top, there are two main action boxes: 'Author rich content with blocks and patterns' and 'Customise your entire site themes'. Below these are several meta boxes: 'Site Health Status', 'Quick Draft', 'At a Glance', 'Activity', 'WordPress Events and News', and 'WordPress 6.5.4 Maintenance Release'. Red boxes with arrows and contrast values are placed over the icons in the top right corner of each meta box header. The contrast values are: 2.33, 4.20, 4.20 for Site Health Status; 4.20, 4.20, 4.20 for Quick Draft; 4.20, 4.20, 4.20 for At a Glance; 4.20, 4.20, 4.20 for Activity; and 4.20, 4.20, 4.20 for WordPress Events and News. The 'Site Health Status' box shows 'No information yet...'. The 'Quick Draft' box has a 'Title' field and a 'Content' field with the placeholder 'What's on your mind?'. The 'At a Glance' box shows 'WordPress 6.5.4 running Twenty Twenty-Four theme.'. The 'Activity' box shows 'No activity yet!'. The 'WordPress Events and News' box shows an event 'WordCamp Whitley Bay, UK' on 'Friday 12 July 2024'.

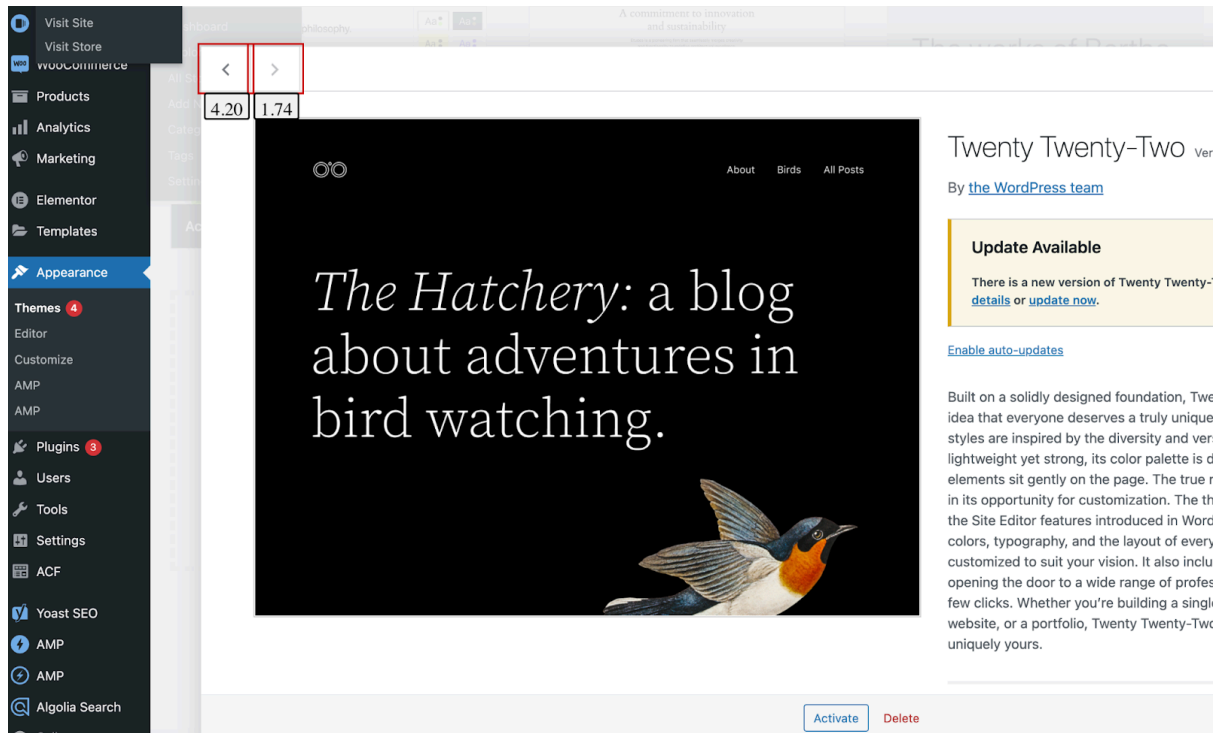

### WP-admin/ Posts / Add New Post

## Category 2: Acceptable low contrast

*Contrast is low but this is acceptable as per the guidelines, according to which buttons that are disabled/ aren't clickable don't need to have high contrast.*

### WP-admin/ Posts / Add New Post

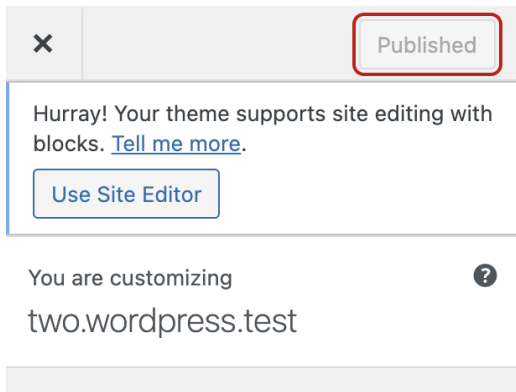

- **Where:** Block Editor Sidebase

**What:** Disabled draft text / buttons

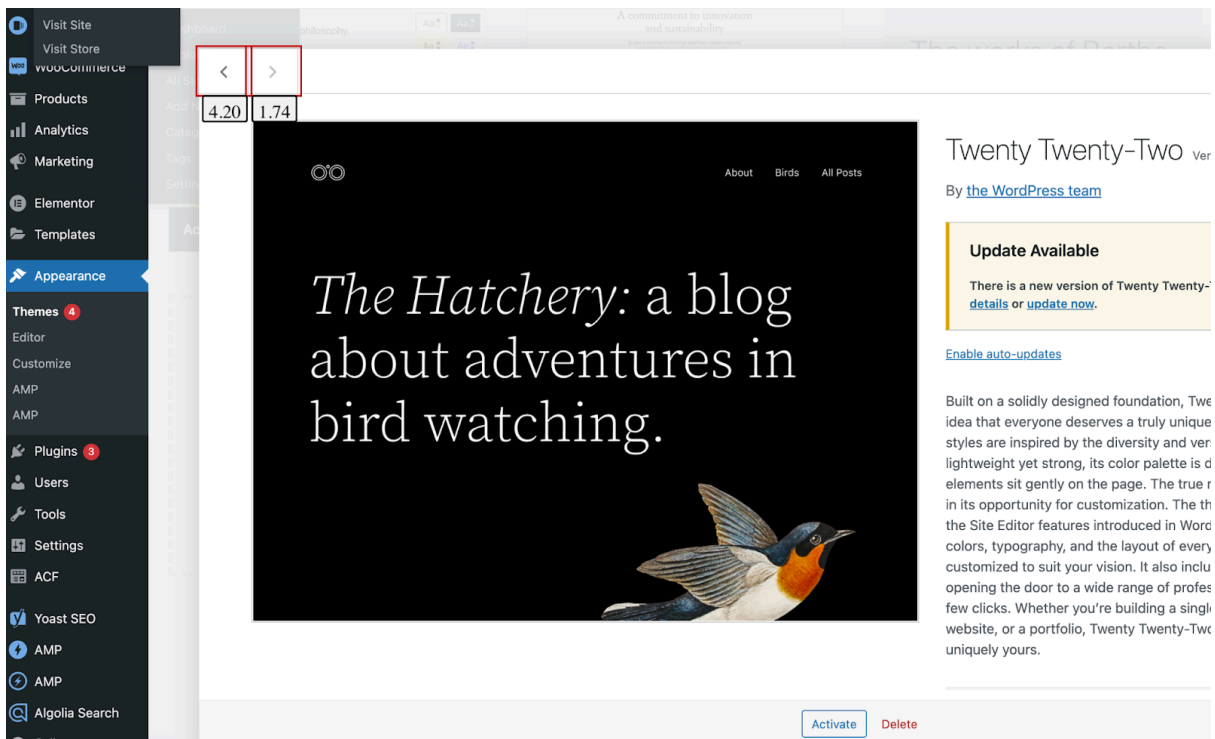

The screenshot shows the WordPress post editor interface. At the top, there is a toolbar with a 'Save draft' button (disabled, greyed out) and a '3.03' version indicator, both highlighted with a red box. Next to them are a laptop icon, a 'Publish' button, a document icon, and a vertical ellipsis. Below the toolbar is a sidebar with two tabs: 'Post' (selected) and 'Block'. The 'Post' tab contains several settings: 'Summary' (with an expand/collapse arrow), 'Visibility' set to 'Public', 'Publish' set to 'Immediately', 'Template' set to 'Single Posts', and 'URL' set to 'localhost:8990/?p=6'. There are two checkboxes: 'Stick to the top of the blog' and 'Pending review', both unchecked. Below these is the 'AUTHOR' section with a dropdown menu showing 'alan'. At the bottom of the sidebar, there is a 'Switch to draft' button (disabled, greyed out) and a '3.03' version indicator, both highlighted with a red box. Below the sidebar is the 'Categories' section with an expand/collapse arrow and an unchecked checkbox for 'Uncategorized'.

## WP-admin/ Appearance

- **Where:** Appearance/ Customize
  - **What:** disabled button "Published"

- No other issues in the Customizer
- **Where:** Appearance/ Themes/ Theme details
  - **What:** the disabled arrows are 1.74

- **Where:** Appearance/ Themes/ Add new Theme/ "Activated" button on the activated theme
  - **What:** disabled button "Activated" with score 2.17
  - **Conclusion:** After a discussion, we concluded that this button should ideally be text – there is no need for it to be a button.
