

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Goodness

“Until you attain Paradise levels, goodness will always be more of a quest than a possession, more of a goal than an experience of attainment. But even as you hunger and thirst for righteousness, you experience increasing satisfaction in the partial attainment of goodness.”

[132:2.8](#)

良善

「在你達至天堂層次前，良善始終是一種追尋，而非擁有；更像是一個目標，而非已然達成的體驗。然而，即便渴求正義，你也能在部分實現良善的過程中，體驗到日益增長的滿足。」
