INTRODUCTION/PENDAHULUAN (1000-1500 words)

Introduction should be started without indention using Segoe UI 12 bolded capital letters. Subheading is limited by two spaces within body of article. Please make the page setting of your word processor to A4 format; with the margins: bottom 3 cm and top 3 cm, left 2.5 cm and right 2.5 cm. For the body of the paper, please use Segoe UI 12, 1,25 spacing.

In introduction inform the problem of study, use theories. The contents of the paper should be in the following: (1) title of paper, (2) author names and address, (3) abstract, (4) keywords, (5) introduction, (6) discussion and analysis, (7) conclusion, (8) acknowledgement (if any), (9) References.

Do not number your paper. All text, figures and tables must be in English for English article, and must be in Arabic for Arabic article. Should always be written in with the fonts Segoe UI 12, especially also in the figures and tables. The length of article is 4000–7,500 words including all pictures, tables, nomenclature, references, etc.
[Justify, Segoe UI 12, space 1,25)

METHOD/METODE PENELITIAN (500–1000 words)

Method consists of description of research type, data collection, data source, data type, and data analysis. It is written in a paragraph form.

RESULTS AND DISCUSSION
Findings (can be in form of subheading) (1500–3500 words)

Inform a number of important data (original) field which obtained from the questionnaires, surveys, documents, interviews, observations and other data collection techniques. It can be completed with table or graphic to clarify the result.
[Justify, Segoe UI 12, space 1,25)

All figures and tables should be centered and numbered consecutively. Tables (refer with: Table 1, Table 2,...) should be presented above the table contain in center alignment. A descriptive title should be placed after table title (refer with: Table 1, table 2,...) above each table. The source of the table should be placed below the table in right alignment. Example:

Table 1. Summary of Islamic Education Student

No.	Name	Male/Female	Rate
1.	Aisyah	Female	Beginner
2	Ahmad	Male	Advance

Source: Islamic Students Book of MTS Al-Durasah

CONCLUSION

Write succinctly and clearly the result of research then describe the logical consequence in developing science and praxis of Islamic education. (Conclusion is not indented and uses bolded Segoe UI 12).

ACKNOWLEDGMENT

It is used as a thanking expression from authors to official institution or persons that act as a donor, or contribute in the research. It is completed by research letter of contract. Example: this research is supported by Ministry of Religious Affair through scheme of Research Excellence grant year 2017 number PUIK-2017-123.

REFERENCES

Write a number of references that are cited and really written/quoted in the text from primary sources, (80% taken from scholarly journals, 20% other supporting sources).

(Write the references that are references alphabetically and chronologically. The bibliography is a list of references/references, not a bibliography, so it must contain all the sources referred to in the text, and does not need to contain sources that are not referenced. The reference list contains everything that is referred to in the original text from sources that are: (a) relevant, (b) at least 80% up to date (last 10 years), and (c) at least 80% primary, especially from journal articles). The total length of a journal article manuscript is 5500 words to 7500 words
