MEMO TO: Julie Farrell
Board of Selectmen

FROM: Carol Skelton
Town Coordinator

SUBJECT: Emailed letter dated March 23, 2010

In response to your emailed letter dated March 23, 2010, the Town's Personnel Policy expressly excludes Elected Officials from its coverage, so it is not applicable to the Board of Selectmen.

Secondly, the letter dated March 15, 2010, from the Treasurer was addressed to the Board of Selectmen, so I placed it into the Selectmen's folder for review.

As for "...the verbal complaint..." that you refer to in your letter, I conveyed the allegations to the party of whom the "verbal complaint" was expressed.

Town Coordinator
