Dear [Name],

My name is [**Your Name**], and I am writing to ask if you would consider supporting me as I prepare to attend a Discipleship Training School (DTS) with YWAM North Cascades this [**season/year**].

[This is a great place to mention any personal history with the recipient. Have they supported you before? Prayed for you? Been part of your faith journey? A sentence or two here goes a long way.]

DTS is a six-month school that begins with a lecture phase focused on knowing God more deeply, followed by an outreach phase where students go into the field to serve and share the love of Jesus, often among communities where He is not yet known. I believe God is calling me to go.

To make this happen, I need to raise **\$8,500**. I am reaching out personally to people who I believe would want to invest in where God is taking me, to ask if they would consider partnering with me through a one-time gift. Would you prayerfully consider a gift of [**\$100**], or whatever amount feels right?

Your gift would help send me to places where the gospel hasn't reached, and I believe God will do something in me along the way, too.

Donations can be made at [**giving link**]. I will keep you updated throughout the process and would love to share what God does along the way. Please don't hesitate to reach out if you have any questions or just want to hear more.

Thank you for believing in me and for being part of this.

With gratitude,

[Your Name]
