

## edTPA Commitment Form

For this assignment, determine the following key information for your edTPA learning segment (in collaboration with your Cooperating Teacher if applicable) so that you can start getting prepared to teach it in the winter (or possibly spring) term.

<b>edTPA Topic Commitment</b>	
What are the target dates the teacher candidate will teach the edTPA?	
Which learners/class will the teacher candidate teach for their edTPA?	
What is the central focus of the edTPA learning segment (including standards)?	
How will you approach distribution, collection and follow up for the parent permission letters?	
What video technology and strategies will be used for video capture in the classroom?	
When will you meet to talk through the lessons in the learning segment prior to them being taught?
