

## **If You love me**

*By Ameena bint Abdir Rahman*

Let me be like  
the citrus fruit  
Whose scent is pleasant  
And taste is good.

Let me serve  
Your creation,  
With humbleness  
And determination.

Let me find  
Solace in prayer  
When life's troubles  
I cannot bear.

Let me heed  
My inner sight  
My healthy heart  
Will guide me right.

If You love me  
And I know you do  
As my greatest love  
Is only You.
