

Socrates Prep High School Cell Phone/Smart Device Policy Contract - AMENDED 8/6/2025

- ***SPECIAL NOTE: Exceptions may be made for documented accommodations that are submitted in writing and approved by Admin.***
- In ALL of my classes I will keep my cell phone in my bag or in the classroom device basket with the ringer and vibrate off.
- If I have a wearable device, it will be used responsibly at all times.
- I will not use my smart device on the SocPrep WiFi at any time, unless directed by a teacher.
- I can only use my smart device for a whole period during lunch and recess.
- I will not take my smart device to the bathroom.
- If I need to contact my parents urgently, I will get permission from a teacher to make a call/text in the presence of an administrator.
- When in use, my smart device usage will be school appropriate.
- I will not use my smart device to create or participate in drama.
- I will not use my smart device to record, photograph, or share people's data, pics, video etc. with other people or online. In the case where the phone is required for a school project, the teacher will obtain the appropriate permission needed.
- If the teacher sees the smart device being used without permission, 1 warning is given. If the device comes out again, it will be taken away until the end of class. If the device is misused again, privileges will be taken away for the rest of the quarter. I will be given the opportunity to have a fresh start in the next quarter.
- I understand that by Q2, I should be able to follow this policy without reminders and that I may lose privileges potentially for the remainder of the year. This includes lying about bringing my smart device after losing privileges.
- ***I will follow any instruction given by my teacher or administration regarding my smart devices - including turning it over to them.***
