

**Avatar:** Jane 20 years. Sweden.

Jane lives in a totally normal family. Since 2 years old, she always had puppies or bigger dogs. Had problems with raising them. Doesn't know exactly how to train them and would love to.

College. Has a lot of free time.

Day in the life: wakes up at 7, school at 8, 14:30 home, study to 15:30. Spends time with dog till 16. Study till 17. Play guitar till 17:30. Goes out with friends at 18:00. 20:00 home. Dog walking till 20:20. Study till 21:00. Free time till 23:00.

### **Values and Beliefs:**

Sometimes dreams about her future kids spending time with the dog.

Loves her family.

She would love to win dog training competitions.

Believes that she would find a man who is also in love with dogs.

### **Outside forces:**

She doesn't care.

### **Painful about current state:**

Sometimes she feels bad for not knowing how to talk with her dog. How to train him. The dog shits at home at places he shouldn't. He barks at people. Jumps around a lot.

If you want to teach your dog to not have accidents in the house, this is the book for you. This book is a comprehensive guide to all that you will need to potty train your dog.

It's a comprehensive resource for anyone navigating the often-challenging world of dog potty-training. (Ruined couches, clothes, fights with the girlfriend etc..)The chapters on canine communication and body language, as well as puppy and adult dog potty-training, are invaluable for those who are new to the world of dogs. Will Bangura provides a solid foundation for what I like to refer to as "new eyes" in understanding what your pet's needs and the behaviors behind those needs. From health and diet to an understanding of maintenance and prevention to have lasting results aswell.?!?

Thank you for guiding us and helping us Will, the results speak for themselves, do your self a favor people, get this book!

*Puppy Training in 7 Easy Steps* gives wonderful advice for raising the perfect puppy. Whether it is your first or tenth puppy, every responsible dog owner should read this book.

Full of valuable information for the new puppy owner, Mark's enthusiasm balanced with a healthy dose of realism make this an easy read. As an ER vet who sees what goes wrong when training and management fail, this book is an important first step to ensuring a long and happy life for your new dog

Based on questions and input from more than 100,000 clients, *Puppy Training in 7 Easy Steps* cuts to the chase with everything you need to know to raise a puppy right. The information is practical, accurate, and easy-to-read. The author clearly understands and loves puppies; as soon as he asked new owners to consider if they are able to give a puppy the time and attention it deserves, this book soared to the top of my 'recommended' list."

**Dream State:**

**If they could wave a magic wand, what would their life look like?**

- Dog listening to her commands.
- People and friends adore and respect her for the way she has trained her dog.
- The Dog doesn't bark, jump around and shit wherever.
- She understands the needs and behaviors of dogs.
- Has a much deeper relationship with her dog.
- Goes to dog training competitions and wins.
- She wants her family members to also know how to treat dogs.

### **Roadblocks:**

- She isn't deliberately working to achieve her goal.
- She doesn't have the knowledge.

### **One key roadblock fix:**

- Taking an active role, training everyday with the dog.

### **Solution:**

- If she trains the dog, she will succeed.

### **Product:**

- "Let's speak Dog" Book will make you a better dog trainer while teaching you how to communicate with your dog on an emotional level. The book introduces the Inspire ur Dog method, developed by a world champion and based on robust evidence and research results. The different praise voices, body control techniques and methods borrowed from the theater described in the book will give you the tools for creating a totally new connection with your dog.
- The book is equally suitable for a first-time dog owner and an ambitious dog sport enthusiast. The route to a happy and balanced daily life with a dog runs alongside the one leading to excellent results in various dog sports.

Make it sit, jump, run, bark or dance like a party girl if you will, with your simple moves... and impress your friends!

# How to Speak “Dog” So Your Furry Friend Obeys You

... Learn How To Train And Emotionally Communicate  
With Your Dog, And Cease The Barks, Jumps And  
Poops...  
*As Soon As Today!*

My name is Mia, I'm a 6 times IGP World Champion with two dogs.

Dogs who I have prepared to go from babies to winning competitors.

Among other things, I teach many people to train their own dogs **and prevent frustration**. No matter the breed of the dogs.

**By working with so many dogs, I've discovered** everything about dog behaviors, problems, and needs that **YOU** need to know to stop your dog from testing your nerves...

Instead...

**You Will Train Them To Be An Intelligent, Obedient Best Friend.**

You have to see it with your own eyes, but believe me, ***it's not complicated.***

In a matter of **weeks** you're gonna teach your dog to cut off the barks, crazy jumping, and pooping all over the place.

When I started implementing the tactics and secrets that I'll give you... *It made my life so much easier.*

Even better... **Your dog will be so well trained he could even win 1st place at an Obedience competition** (people will be jealous).

... And you might not be interested in competing which is totally fine. But letting the hurdles continue is stupid!

## I Want You To Do Something Right Now

**Imagine how your life would look if you got rid of the daily dog problems.** I understand the frustration of having to use all your strength to pull your dog back from barking at a stranger.

But trust me, you can change it with the snap of your fingers.

**You'll be able to move around without your dog's tail in-between your legs.** You'll be able to get work done in *silence* (no barking anymore) and most *importantly*...

You will easily command your dog and stop him from chewing on your mom's favorite sofa or barking at every car that drives by.

It doesn't matter what type of dog you have. I've worked with all kinds of dogs (I've got you covered).

If that sounds like something that you'd like, you're gonna love my latest product.

## Let's Speak Dog

### ... Train Your Dogs And Make Them As Obedient As Army Soldiers!

**Here's what's covered in the book:**

- Simple tricks that **instantly** make your dog obey... thus *decreasing the likelihood* of your dog to destroy your favorite pillow or dig a deep hole in your yard.
- The **correct way** to position yourself towards him so he knows whom to *respect*.
- How to **communicate emotionally** to your dog... and make him and you melt in joyful adventures...
- **Strategies** for *mastering confident handling* to train your beloved canine... and make him behave like an angel.

- How to praise so your best friend develops a trusting **bond** with you and stops\_\_\_\_\_...
- The amazing **exercises** to train your dog for competitions... so easy you could cry with joy.
- **And more...**

All of the information is given in my book. You can read it anytime, anywhere and start implementing the **secrets** as soon as the day you start reading.

## ... Ready For A Change?

Even if you **only implement one technique** of all you're going to learn... that one technique will help you leave the house **without stressing** about your dog...

Would you agree that to learn to speak Dog and probably go out and win competitions with your furry friend... paying \$59 is a steal?

How much would you pay for your dog to behave and obey? \$100? \$300? \$600? Well you can do that just for \$59!

You're in good hands because you're going to learn from a 6x World Champion who can turn your dog from evil to angel and is worth every dime you pay...
