BACKSNACK PROGRAM

Dear Parent/Guardian,

Summit Lakes Middle School coordinates a BackSnack food program for food insecure students. SLMS partners with local organizations to provide weekend food support for families in need. In the BackSnack program, students are discreetly delivered a bag of food items on Friday to help bridge the gap between school lunch on Friday and breakfast on Monday. If your family would benefit from this support, we invite you to fill out the application. We also accept donations of grab and go items for the program, if you would like to help.

Please complete this form to sign up for the year. Your participation in the BackSnack program is confidential and will continue as long as it remains a need for your family. We look forward to having your student participate in the program. If you have any questions, please contact the SLMS counseling center at 816-986-1378.

Thank you!

Counseling Center Secretary & SLMS Registrar

SLMS is NOT responsible for any allergic reaction your child may have to a food item.

Please look through the bags thoroughly before giving the items to your child.
