Applications are invited for a temporary position of Project Staff at the Center for Creative Learning, IIT Gandhinagar.

Project Title	Center for Creative Learning
Name of Post	ITI Intern
Essential Qualifications	The candidates should have done I.T.I. courses or should have a Bachelor's degree in/ engineering/science/mathematics. Candidates should have the experience of making large structures using meta/wood models. Also, they should have some experience in working at an organization focussing on hands-on learning in school education. The candidates who don't meet the above qualifications need not apply. Candidates selected for the post would be responsible for managing and mentoring graduates from ITI colleges.
Desirables	Candidates who are comfortable working with CAD tools (such as CoralDraw, AutoCAD), laser cutter and 3D printer would be preferred. Also, familiarity with carpentry tools, black smith tools and lathe machines are preferable. An experience of conducting workshops with teachers and students based on these hands-on activities is also a desirable qualification for the job.
Documentation	Interested candidates are requested to send by email (subject: Project Staff CCL - STEM Models' Design Position) a single PDF file containing the resume clearly mentioning all qualifications, experience, contact details and minimum 1 page summary. Selection will be based on interview and shortlisted candidates will be intimated one week in advance. Interviews shall be done over the phone or in zoom.
Contact	Manish Jain, ccl@iitgn.ac.in Principal Coordinator, Creative Learning Initiative Indian Institute of Technology Gandhinagar, Gujarat 382355
