	Areas Needing Improvement	**Performance Standards & Indicators**	**Evidence Exceeding Standards**
	Below target	Target	Above target
1		**Development** The purpose and significance of the problem is explicitly and succinctly stated. It appears up front. *Underline the thesis statement.*	
2		**Roadmap** The introduction includes a roadmap. Is it logically and explicitly connected to the problem statement or thesis. The roadmap lays out how the argument is developed in the body of the paper.	
3		**Umbrella statement** Each section includes an umbrella statement that clearly states the point of the section it introduces and summarizes the contents that follows. Each paragraph begins with a topic sentence that supports the roadmap.	
4		**Style** Sentences clear and succinct, not complicated. They use more verbs than nouns.	
5		**Design** The headings direct the flow of the paper. They are informative. Each represents the appropriate level of importance.
