

2025-26 FHS Course Selection Process

for current 9th-11th graders

Step 1: Visit [Mrs. Niederklein's Website](#) & click on “ENROLLMENT” to find the following-

- Course Handbook
- Course Selection Document (the page you're reading)
- 2025-26 Course Selection Presentation--Shown during seminar in March 2025
- 2025-26 Course Selection Sheet (be sure to check the tabs at the bottom of the sheet & extra copies are located outside my back door)

Step 2: Discuss course options with parents and seminar teachers.

- What are your post-graduation plans?
- What are the prerequisites for any future classes?
- Complete [Course Selection Sheet](#) with parents & return to seminar teacher.

Step 3: Complete online course selection

- Log into student [PowerSchool Portal](#)
- Select “Class Registration” on the left side of the screen.
- Complete each course requirement and make sure you have enough credits selected.
- Select 2 alternative courses that were not previously selected.
- Make sure to submit your request.
- Return paper to **seminar teacher** to be collected. *Please, **do not** take it to the office.*

Step 4: Review selections with parents

- Once all course selections have been submitted, the master schedule will be built.
- Once selections are complete, parents will be provided a form with final course selections. This will be generated from the PowerSchool selections the student made.
