

Art Student Assessment Summer Camp 2023

(Please Check-In with Site Coach for additional information)

Student assessment will consist of 2 components:

1. Identify **3** students to share their process and product on Flip.
2. Teacher Completed Rubric for ***all*** students

1. Flip:

- Navigate to Flip using the following link:
- To complete the Flip, share with the **3** students the following prompt:
 - "Tell me what you learned in art and show me what you created."

2. Rubric:

Use the rubric below to assess student learning. As you assess your students, use your professional discretion to determine the student's performance.

1 - Rarely 2 - Sometimes 3 - Often

- A. The student participated in class discussions about art/artists.
- B. The student can speak about their art work. They can explain techniques, describe materials used, and use art related vocabulary.
- C. The student used skills/techniques learned in art lessons in her/his project.
- D. The student completed her/his art projects.

| | 1 - Rarely | 2 - Sometimes | 3 - Often |
|---------------------------------------|---|--|---|
| A. Participation in class discussions | Student did not attempt to engage in class or group discussions. | Student sometimes engaged in class discussions with peers and groups. | Student regularly and actively participated in class and group discussions. |
