

SPEECH MEET

Dear Parents,

Every year the elementary school children participate in the NCS Speech Meet. The children will be required to memorize a selection and present their selection to the class for an english grade the week of January 13, 2020. At this time, I will select 2 representatives from Poetry and 2 representatives from the Bible Memorization who will go on to participate in the **NCS Speech Meet** in January.

Your child should select **one speech out of the two sent home**. Attached are *two* copies of your child's selection choices (one for home; one for him/her to keep in the Travel Folder to study during any free time in school). **Please note that if your child selected Bible Memorization, s/he is responsible for creating a response of what this scripture means to him/her. This response should be about 2-3 sentences long**

I will use the following for scoring his/her classroom presentation:

1. Memorization of the passage (platform presence)
2. Volume (voice quality)
3. Expression
4. Clarity
5. Eye contact

Because the children will be working on different selections, we will not be able to work on them as a class.

- Please read the attached selections with your child and help him/her choose **only one** of the selections that he/she is most comfortable with.
- **Detach the form below and indicate which selection your child has chosen and return it to me by Friday, November 15, 2019.**
- Have your child begin memorizing his/her selection.

If you have any questions or concerns, don't hesitate to email me.

God's blessings,

Mrs. Boudreaux and Mrs. Dubourg
