POST-BEGINNERS' HUNGARIAN LANGUAGE COURSE
Spring, 2019

Course book: **PONS Part II**. by Mária Sántha , Ferenc Sántha
Lessons 6-10

Visual material: **6 DVD** units from Step by Step by P. Durst –Á. Péter

Recommended grammar reference book: Carol H. Rounds: Hungarian, An Essential Grammar 2nd edition Routledge ,

This course will provide students with the basic skills in reading writing and speaking in Hungarian at a post-beginner level

The course starts with **reviewing** the elementary grammar of the 4o-hour intensive language program e.g. :

- Sounds and numbers
- Verb conjugation present tense – indef and def. conjugations
- Cases for nouns : Direct and Indirect object
- Locative endings

New grammar items to be covered during the course:

- **Past tense of verbs**
- **adjectives: comparisons and case endings**
- **auxiliaries / helper verbs**

Songs, nursery rhymes are an integral part of the course

Course requirements:

1. **Six 100 word essays**
2. **Final oral presentation** based on the material covered by the DVD Units
