

Draft Futbol: Privacy policy

Welcome to the Draft Futbol app!

This is an open source Android app developed by Peter McNeill. The source code is available on GitHub under the MIT license; the app is also available on app stores.

I have not programmed this app to collect any personally identifiable information. All data (app preferences (like theme, etc.) and FPL data) is stored on your device only, and can be simply erased by clearing the app's data or uninstalling it.

If you find any security vulnerability that has been inadvertently caused by me, or have any question regarding how the app protects your privacy, please send me an email and I will surely try to fix it/help you.

Yours sincerely,

Peter McNeill
