

Taehyun Yong, Undergraduate Student

010-4871-2069
yth0428@cau.ac.kr

Research Interests

- Urban Energy Modelling
- Building Energy Performance
- Photovoltaic (PV) System Design

Education

Chung-Ang University, Seoul, Republic of Korea

2022. 3 - Present

Undergraduate Student, School of Architecture & Building Science

PUBLICATION

Journal Articles

In Refereed Conference Proceedings

Professional Experience

Republic of Korea Army - K9 Self-Propelled Howitzer Driver, Sergeant

2023.07-2025.01

Licenses & Certifications

Research Experience

Awards & Honors

Research Tools

- Programming Languages: Python.
- Architectural Modeling: Revit.
