

## **Record Video on a Chromebook**

1. Students can record video on their Chromebook by first logging into their Chromebook.
2. Clicking on the circle LAUNCH icon on the bottom left-hand corner of the desktop
3. Next, click on the Camera icon.
4. Click on the video option and click on the record button when ready.
5. Click on the square to stop the recording. You will then see a circle on the bottom right-hand corner, that is a shortcut to the picture video Gallery. You can click on that icon for quick access to the video gallery. This is where your video is automatically saved.
6. On the top of the Gallery page, you will also see the Share icon. You can click on this icon to copy a share link of your video which can then be emailed to anyone if preferred.
7. To go back to your Gallery in the future, you can access it from the Desktop Launch Icon on the Bottom left of the desktop.
