## Hal

- Create a way to schedule temple recommend interviews about 3 months after a missionary's return home
- Print a weekly list of current missionaries in the Portal for President Horsley to review
- Implement a standardized meeting prep packet for presidency (names, releases, assignments, callings in motion) with Saxton
- Check [ysa3rd.org/master](http://ysa3rd.org/master) to help us know what's needed for recent callings or ordinations/sustainings
- Help stake leaders better understand LCR reporting tools and available stewardship reports.
- Audits
- Review and propose adjustment for ward budget allocations:
  - Evaluate redistribution from wards not meeting during summer to active summer wards
  - Maintain 25% stake allocation structure but review fairness/usage

## Saxton

- Send Eric link to digital form and/or include it here: <http://ysa3rd.org/money>
- Fall: Rotation of which presidency member will attend which ward added to the Google calendar(s); add each Sunday's schedule of who is attending each ward to the Presidency Agenda each week
- Work with Tyler to start Kelson Peterson through the sustaining/calling/setting apart steps
- Implement a standardized meeting prep packet for presidency (names, releases, assignments, callings in motion) with Hal
- Utilize the new monitor outside the chapel for announcements using a USB for now.
  - Work with Tyler to update pictures for new members of the Stake Council and Bishoprics and ward RSP and EQP's
  - Display in between pictures: 5 principles of power, Area presidency vision, quotes from President Oaks and the First Presidency
  - Quotes on the importance of the Institute
- Create a way to schedule temple recommend interviews about 3 months after a missionary's return home, with Hal's help
- Share the Freshman and Parent Onboarding Improvements, alongside President Chang, and send it to the Presidency for review
