

Dear Parent/Caregiver

With the end of the school year approaching, we start to focus more on External Examinations with Senior students and the End of Year Examinations for Juniors. We wanted to share with you a resource the College has developed with advice and guidance for success in examinations. The TBC Examination Study Guide contains information on goal setting, study skills, and exam preparation. This guide is available at the following web address: bit.ly/TBCstudyguide

The guide also has a weekly study planner at the back which may be useful for you and your son to fill in to help him get organised in preparation for the assessments. Please let us know if you would prefer a hard copy and we can send this home with your son.

Finally, we would like to wish our Y13 students all the best for their futures as they finish their last year in NR1. They have all been outstanding role models and we look forward to learning of their success in years to come.

Regards,

Form Teachers
