

GENERAL INFORMATION

The Green N White Club is the first ever booster club dedicated solely to Newman athletics. We are very excited about the benefits the Club will bring to Newman athletics and to all of our student-athletes. It is our goal to build enthusiasm and support for all of our sports. We want to engage the entire Newman community, working together to forge new athletic traditions. All the money we raise will go towards non-budgeted athletic items that benefit every athletic team. The Green N White Club has donated more than \$400,000 to the School to directly enhance the experience for our student-athletes. You can visit the [Green N White Club homepage](#) for more information about the Newman Green N White Club.

2023-24 Green N White Club Spirit Items:

This year's spirit items are a black GNW Club visor and a GNW Club white beach towel.

Two must have items for any serious Greenie fan!

Digital Tickets

Newman uses a digital ticketing system for home games. When you registered for the Green N White Club, you received an email confirmation from "Isidore Newman School Box Office." That email contains your digital ticket as a PDF attachment. **Please have your digital ticket ready to be scanned before entering each home game.** You may save it as a picture on your phone or to your digital wallet. If your membership includes admission for two adults, the single digital ticket will allow up to two scans per event. If you cannot find your ticket, please email [Lauren Haro](#).

VSN Subscription

If you are a **Champions Level Member** or **Grandparent Member** of the GNW Club, you will receive an email from VSN regarding your annual subscription. If you had a subscription last year, your subscription will be canceled and a new yearly subscription will be created. You'll receive an email from support@vhx.tv notifying you of the transaction. If you do not receive a notification, please check your junk folder for the communication email. We encourage you to confirm access by logging into VSN using the following instructions:

1. Go to <https://www.varsitysportsnow.com/browse> or any of the Varsity Sports Now apps and SIGN IN using the email provided when you purchased your Green N White Club membership.
2. Enter a password that you create.
3. If you have had a previous subscription, please use password that was used with that subscription. The system defaults to that with an email that has been previously used. If you cannot remember your password, use the "Forgot Password" function.

If you have issues logging in, please email [Lauren Haro](#).

GNW Club & VSN Corporate Sponsorships

Our partnership with VSN includes sponsorship opportunities in the form of commercials and on-air mentions during live streaming of Newman sporting events, in addition to being highlighted in the weekly sports report and on the banner at home games. Please contact [Betsy Laborde](#) or [James Reiss](#) if you are interested in becoming a GNW Club Corporate Sponsor.

General Information

Please remember that GNW Club tickets are unfortunately not valid at scrimmages, jamborees, away games, and playoff games. You can also follow Newman Athletics on Twitter: [@NewmanAthletes](#).
