Figure 1. Screenshot of the Summarized Proposed Policies

- Memo na inilabas ng Office of Student Development Services ng UP System
- Regarding sa setup ngayong blended learning po tayo
- Consider din po na malaking health risk ang COVID
- Mataas pa rin ang positivity rate sa Manila and sa Laguna ay tumataas na rin dahil nagbabalik na rin ang mga tao

Required On-site Workforce

- So far, no alert ang Los Banos kaya naka-100 percent on-site workforce ang faculty and lahat po ating mga kasamahan na manggagawa sa unibersidad

Indoor Capacity

- Based sa last na pag-uusap with the CDC admin, lahat ng facilities po natin ay 50 percent capacity para maiwasan ang outbreak sa college natin bilang maliit ang college and lumalaki yong population
- Kasalukuyang kino-convert yong isang room annex 4 bilang extension ng reading room and as well as other facilities

Delivery Mode of Classes

- Nakapaglabas na po tayo ng iba't ibang delivery mode
- Nakapost sa facebook page ng ating student council:
- Dalawang modes of learning lang-Model 1 and Model 3
- Based on Curriculum and Instruction Committee
 - Hindi pwedeng magpatupad ng Model 2 dahil nakasalalay 'yong ating devcom subjects sa courses na ino-offer ng ibang colleges
 - May mga courses tayo sa devcom na sinasabayan ng technical courses or social science courses
- Model 1 ay theoretical courses while Model 3 ay kailangan ng fieldwork

Access to Classrooms and Laboratories

- Yong mga facilities (reading room, media lab) ay naka-open for ating access for our first semester

Access to Enclosed Spaces

- Please refer to Figure 1.

Access to Outdoor and Open Spaces

- Please refer to Figure 1
- Open space naman so may hangin na umiikot.
- Hindi masyadong contagious compared sa closed space katulad ng classrooms, laboratories and other closed facilities

Off-Campus Activities

- Ito po ay yong outreach programs, yong mga org activities na kinakailangan sa communities or yong mga subjects po natin na kailangan dumako sa mga communities particularly yong mga three digit DevCom(136, 126)
- Ni-rerequire ng ating college na if you are going to pursue DevCom courses na kinakailangan ng community engagement, kailangan na vaccinated, boosted, and superduper na pag-iingat dahil haharap tayo sa mga tao

Access to Accommodation Facilities

- Refer to Figure 1
- Lahat ng facilities na pwedeng i-reserve (auditorium, dorms)

General and Comprehensive Exams

- May mga F2F exams na na gaganapin
- Refer to Figure 1

Consultations with Advisers/Faculty Members

- Refer to Figure 1
- If magpapa-consult sa faculty, tradition na po na magpa-appointment sa ating faculty
- Hindi masyadong naappreciate ng faculty ang ambush consultation and respect na rin para makapag-prepare sila

B. New Academic Policies (Tentative)- [Full Copy](#)

- Nagkaroon ng deliberations ang atin all student councils association kasama ang admin ng campus and yong response ay supported din ng OVCSA
- Responses ng UPLB sa mga punto

1. No fail policy will still be implemented for the first semester

- Transition period
- By second sem ay makapag-full blown F2F na tayo
- Mahirap kasi ito sa perspektiba ng mga estudyante
- Mananatili pa rin 'yong regulations for INC and Drop

	2. <i>No additional requirements in the middle of the semester</i> • May mga professors kasi na biglang nagdadagdag ng requirements • Strictly implemented if ma-approved ng system 3. <i>No deadline should be set a day after the reading break</i> • Retained ang reading break • Deadlines ay dapat two days or three days after the reading break • Wala na po tayong academic ease sa susunod na mga semester 4. <i>Graduating students will be prioritized</i> • Hindi na io-honor yong mga prerog request as students dahil may sinusunod na class size • May course tracker sa DevCom: • Yong graduating students ay papayagan magprerog 5. <i>Prereq should be taken</i> • In order for you to get that higher course, dapat at least na-take mo yong prereq na yon it's either INC or DRP. • Hindi na pinapayagan na mauuna ang higher DevCom bago prereq 6. <i>Cross Registration</i> • Pwedeng nang magcross reg basta online setup • Hindi papayagan if you will have F2F sa other CU • Madali na ang crossreg ngayon
II. Other Student Concerns	
	• May magaganap na dialogue between the Council and the CDC admin • Ang regular units ay 15, ang full units ay 18 • <i>Fred Calapi: So wala na po 'yong deadlines at the end of the sem?</i> ◦ Discretion na ng professor kung papayagan na magsubmit at the end of the sem • <i>Carlos Hermoso: Kasabay ng pagkawala ng academic ease, di ba pag na-INC mo yong subject after a year, pwede mo siyang i-complete. Retained di ba yon o tanggal din yon?</i> ◦ Retained ang one-year completion ng INC nitong online. • <i>Carlos Hermoso: Mas magiging maluwag ba sila for Model 1?</i> ◦ Strict sa model 2 and model 3. Sa model 1, so far wala pang binibigay pero ang pinakasabi ay 'di io-honor yong prerog unless graduating student. • <i>Anonymous: Okay lang po kumuha ng higher DevCom courses basta na-take po 'yong prereq kahit INC doon?</i> ◦ Yes po pwede pong kumuha pero kinakailangan na i-complete

	within a year kasabay ng pag-take niyo ng higher DevCom course. • <i>Fred Calapi: If next sem gagamit pa rin ba ng LMS?</i> ◦ Lahat yata ay irerequire na Canvas. May LMS pa rin tayo. • <i>Anon: May mga need din po bang ipasa na documents?</i> ◦ So far ay wala po. So far ay vaccine card or vaccine certificate na meron po tayong first dose, second dose, and at least one booster • <i>Marco Rapsing: Mag-a-apply na po ba ng for overload kapag 18 or kapag bet mag-21?</i> ◦ Bet 21. Pwede pa po tayong 18 na walang permit • <i>Carlos Hermoso: Need pa rin bang mag-submit ng letter na signed by the guardian and the adviser na mage-18 units?</i> ◦ Hindi na kasi balik na tayo sa 15 yong regular tas full units ay 18. • <i>Anon: Regarding po sa INC na prereq, paano po pag ireretake na yon? Ok pa po ba kumuha ng higher devcom course?</i> ◦ Opo. Pwede niyo pong isabay. • <i>Assured na ba na magdadagdag sila ng klase pag may demand...?</i> ◦ Opo. Kailangan may maibigay na data sa kanila para if hindi sila kasya sa isang klase magdadagdag sila. Kaya sumagot po sa course demand. • If wala pa pong mahanap for accomodations, mag-chat sa CDCSC page para mai-raise sa CDC admin • <i>Fred Calapi: Para sa model 3, may update na ba or mananatili sa professor yong discretion sa F2F?</i> ◦ Kasisimula pa lang ng sem, required yong prof na sabihin kung ilan at kailan ang F2F session kasi baka may courses na magsabay na gagamit ng same facilities • <i>May date po ba sa release of classes?</i> ◦ So far, yong pagri-release ng schedule ay after enrolment. Baka by August 22 pa pero if kailangan na talaga, binibigay na yong sched ◦ Contact the OUR na lang • <i>Mag-iiba po ba ng advisers this sem?</i> ◦ Hindi po pero pwede pong magpalit basta justifiable reason. • <i>Kung wala nang prerog ano na lang ganap sa change of matriculation?</i> ◦ Magkakaroon ng change of matriculation sa mga graduating students
--	--

	○ SAIS pa rin tayo next enrolment, ang goal ay second sem ay fully functional ang AMIS ● <i>Kanino po pwedeng i-address ang concern sa SAIS?</i> ○ Pwede pong i-email or tawagan ang ating SAIS team or yong OUR talaga mismo. ● <i>Sa time of change of mat, open pa rin ang SAIS?</i> ○ Opo. Open pa rin po.
III. CDC Student Paper Deliberations	
% Ian Lopez	CDC Student Publication Name ● Galing sa form na pinakalat noong June ● Suggested name ay pwede sa Filipino newspaper gawa na ang plano ay written in Filipino basically ● Kasama din sa pinagpilian yong previous names (channel, catalyst) although may nagpapaabot ng concern na medyo weird na English 'yong name tapos Filipino yong content ● After collating the forms, "Ang Tanglaw" ang finorward as starting off point although na-approve na siya sa previous CSL <i>Manifestations</i> Dara Montalbo (UP CBS Representative) ● So far wala namang na-raise na any concerns ang CBS ● Personal manifestation: Okay naman 'yong binigay nating pangalan which is "Tanglaw". ● And very reminiscent din siya don sa naging event during Leni-Kiko grand rally kasi, as far as I can remember, Tanglaw po siya di ba. ● Very close to home siya na Laguna since Los Baños naman po is in Laguna so I think may mark naman po siya. Ian Lopez (EIC, CDC Student Publication) ● Parang narealize namin na kahawig siya after the fact tas ayon pati 'yong lampara thing ● Tanglaw against disinformation and fake news ● Tanglaw for the truth ● Aside from pagbabalita ng mga college concerns, mayroon din tayong greater role sa information disorder sa kasalukuyan Ijanver Realo (Non-Affiliated) ● Masaya ako na magiging totoo na dahil matagal na 'tong napag-uusapan ● Maganda siya, Agree naman. Okay siya sa amin ● Parang may tula yata si Jose Rizal na "Ang Tanglaw ng Bayan" <i>Concerns</i> 1. Anonymous: Baka pwede nating i-omit ang "Ang" since "Ang Tanglaw" ang name ng pub. For me medyo off-putting po yata 'yong "Ang" and

kapansin-pansin din na as we discuss about it, Tanglaw na lang natin siya i-address.

- Point for contention siya. Kaya nilagyan ng “ang” para ma-differentiate sa ibang mga gamit ng Tanglaw (e.g. Debut, Org). Naisip na lagyan ng “Ang” to signify na isa siyang publication. Interchangeable naman po siya. Kaya lang po nilagyan ng “Ang” for differentiation.
- Marami ring nag-comment sa sensing form na pinakalat ng June, na if as much as possible ay iwasan, na may connotation, kasi kapag nilagay yong CDC sa name ay mas malalang burukrasya pa po. Padadaanin pa po sa college mismo. Merong certain responsibilities din na malayo sa isang student publication.

2. Anonymous: Same po gusto ko ring alisin ‘yong “Ang”

- Pagbotohan.

3. May existing publications from other schools or campuses na Tanglaw o Ang Tanglaw po ba ang tawag? Paano tayo maiiba to them aside from galing tayo sa CDC from UPLB?

- Magkakatalo na lang tayo sa identity ng paper. Sisiguraduhin po namin na ‘pag binasa niyo po yong Tanglaw, para po siyang prinoduce sa loob ng CDC building
- Wala po akong specific na pangalan. Sure po ako na kaya naman po ng mga staff na magkaroon ng own identity

4. What if gawing Tanglaw ng Bayan or masyado na bang mahaba?

- Pwede naman siyang i-open sa deliberation.
- Lahat po ng mga choices na nandoon sa sensing form ay mga single word

5. Anon: Para pong show ni Noli yong Tanglaw ng bayan eme.

6. Anon: Opo. Agree po ako na alisin yong “Ang” kasi masyado po siyang ‘di unique.

- Okay lang yon. Hingi kaming chance to prove ourselves na magiging unique yong publication.

7. Anon: Agree po na mas powerful ang one word. Kaya po mas maganda if Tanglaw na lang.

Votation

1. Retention vs. Removal of “Ang”

- Out of 57 Zoom participants, 27 voted for the removal of “Ang” while 20 voted for its retention
- Launching of Tanglaw is tentatively on September 21

2. Agree vs Disagree for “Tanglaw” as the CDC Student Publication Name

- Out of 56 participants, 43 agreed that the CDC Student Publication

	Name is “Tanglaw” while 2 participants disagreed <i>Questions</i> 1. Anonymous: Mag-o-open po ba for application ‘yong Tanglaw for Batch 22? • Open po sa lahat ng batches na sumali ng Tanglaw. Wala na pong freshmen recruitment ban. Kung meron man exempted po. 2. Gelo: Para po sa mga council na gustong sumali, paano po ‘yon? • Unfortunately, hindi po pwede kapag council. Conflict of interest siya if ever. And yon din yong rules sa ibang student publications across sa UP system.
IV. Other Matters	
% Shey Levita	• Paalala lang po sa ating mga Batch 22 na ‘yong ating freshie ganaps po ◦ Campus Tour, Opening ConVoc, kaunting saluhan ◦ F2F po iyon ◦ Sagutan po ang sensing form ng UFC at USC para malaman kung ilan po yong mga tao na dadala doon po sa program na ‘yon • May freshie fair po ba daw? ◦ Opo, may freshie fair po tayo • Pwede po bang sumali sa campus tour kapag Batch 20? ◦ Ang iki-cater po ng campus tour natin ay Batch 20, Batch 21, and Batch 22 ◦ Kung kaya niyo pong dumalo, dumalo po kayo kasi napakalaking bagay niya especially if mage-F2F po kayo • Meron din po tayong on-ground activity about sa DevCamp na iki-cater ang Batch 22
