UNIT 3: Beef Cattle

WEEK 5: September 28- October 2, 2020

Learning Targets

This week we will learn...

- 1. How does supply and demand correlate with marketing beef?
- 2. How do you identify different grades of beef meat?
- 3. How should cattle be handled prior to market to reduce loss?

I can...

- I can explain the use of the futures market with beef cattle.
- I can properly explain and demonstrate how cattle should be handled to prevent loss while marketing cattle

Learn About It!

You can explore some, or all of these resources. If you want to see a resource again, go for it!

Beef Meat Cuts

Practice It!

Work on these activities to apply what you learned.

Modern Marvel Meat- <https://www.youtube.com/watch?v=ibaiAOFcbjM>

Evidence of Learning

These items will be graded.
