

“Thank you” message to your employees.

Subject: We Won ABECA 2025 — Thanks to YOU!

Hi Team,

We're thrilled to share that our **<Company Name>** has officially won the **ABECA 2025 – AmbitionBox Employee Choice Awards**... and we couldn't have done it without *you*.

This isn't just any award. It's a **rare recognition** based entirely on **honest, anonymous reviews from you all** — and that's what makes it incredibly special.

What you said about our culture, our people, and your experience here... It's what made this win possible.

So this isn't just a company achievement —

👉 *It's YOUR win. Our win.*

And we're genuinely grateful for the trust, feedback, and heart you bring to work every day.

Let's take a moment to celebrate this milestone together — and commit to making our culture even stronger from here on. ❤️

With pride and gratitude,

<Your Name>
