S/2010/1937/FULL

Proposal: Full Planning – retrospective application for the change of use of the existing annexe for use as a holiday cottage.

Location: Foresters Cottage, 4 Forestry Houses, Farley.

The applicants stated that they had recently bought the property and had done no building work. The annexe had been occasionally used by the previous owner for holiday lets on an unregulated basis. The applicants now wished to regularise the position and provide holidays lets on a regular and regulated basis.

The members discussed the application and resolved to **support** it. However, a condition should be attached that restricts each let to a maximum of six weeks.

End of meeting 9.56pm
