

NOMNOM'S COMMISSIONS

THIS DOCUMENT CONTAINS THE FOLLOWING:

1. Conditions that I require
2. My commission progress
3. Things I am okay or refuse to draw
4. Payment procedure

CONDITIONS

- IF YOU PLAN ON ORDERING, YOU ARE AWARE THAT MY ART STYLE IS BRIGHT AND COLORFUL
 - It is to be expected that some colors will shift over to a more saturated side. I also do not use a solid black color anymore— any solid black colored clothing/hair will be shifted to a dark version of another color!

- NO MISGENDERING THE ARTIST/OTHER CUSTOMERS
 - You are working with an artist on an artwork dedicated to you. Pronouns are readily available on all social media platforms, signatures, and even at the beginning of this form. I'm here to respect others as I ask for the same respect back.
- ALL REFERENCES MUST BE VISUAL
 - Will not take written descriptions!!
 - Written is only allowed when provided with visual references
- TWO (2) COMMISSIONS PER CLIENT; MAX CHARACTERS IN EACH IS THREE (3) ONLY
- I often post work in progress/finished commissions on social media but if you wish to be kept private, do let me know!
- I have every right to deny a commission if I feel uncomfortable with the description

- ***IMPORTANT* PERSONAL USE ONLY**
 - Unless negotiated, you are not allowed to resell or use your commission to make profits without my permission. ***YOU MAY NOT TURN MY COMMISSIONS INTO NFTS OR USE MY NAME INTO AN AI GENERATOR.*** Violation of this will lead to immediate blacklist for future pieces and total loss of rights to use artwork in ANY way.
 - Once your commission is done, I am allowed to use it for commercial uses, such as advertising a commission sheet, portfolios, on social media, etc.
-

PROCEDURE

- **TURNAROUND TIME CAN TAKE UP TO 3-4 WEEKS***
 - Once I get started on a commission, it can take up to 2-3 days but due to a long queue and possible conflicts with my schedule, it may take longer for you to receive your order.
 - Complexity of a design can also take effect.
- **DEADLINE ADD-ON**
 - If you are requesting a deadline: there will be an extra charge, depending on how immediate you need the commission (**REFER TO PAYMENT SECTION**). These can often be negotiated with me as I see fit.
 - It is best you check out my [Trello](#) first to see how many slots have been taken already before deciding to include a deadline.
- **COMMISSION PROCESS:**
 1. When you are next in the queue, I will get started on the sketch and a quick color swatch then proceed to send over the draft to see if there's any revisions needed

- a. With these revisions, it is your chance to tell me what you need!
Please list all changes within your revisions after the first draft. For every change after the first draft, it will be considered as an additional revision request. Any revision after (3) minor revisions or (1) major revision will be charged per the difficulty/the amount of additional requests made.
 2. If there are no changes to be done, I will begin to finish your piece! When I am done, I will send a lower quality to see if there's any minor changes to be done.
 3. Once you approve the piece, I will send the full-resolution PNG via email that is provided on the form
- ***IMPORTANT* ALLOWED THREE (3) MINOR REVISIONS AND ONE (1) MAJOR REVISION DURING THE SKETCH PHASE**
 - Minor revisions: expression, change of color, hairstyle.
 - Major revisions: change of pose, entire outfit
 - **MAJOR REVISIONS CANNOT BE DONE AFTER COMPLETION**
 - 3 minor revisions still will be allowed during this time!
 - Commission progress can be seen on my Trello. I update it often so all changes are done accordingly. The link will be sent to you once more after payment has been sent!
