**Why You Can Trust Us
To Over-Deliver For Your Team
(& Your Clients)**

Clay Manley

- Led **record breaking sales** at BioTrust.
- Helped Petco cross **1 BILLION** in sales.
- Regularly increases **conversion rates 5-10x** for multiple 7-8 figure businesses.

Keith Dingler

- Averages **6-10x ROAS** for cold traffic workshops & webinars.
- **Lead copy chief & marketer** for two 8-figure entrepreneurs.
- Strategized, constructed, and wrote dozens of sales funnels (front to back) that cashed in **NEW sales** within 24 hours.

If you scanned the page wondering “who the heck are these guys??”...

We're two 'behind-the-scenes' A-level copy chiefs who regularly multiply conversion rates, ROAS, and ROI for our clients...

That means, we're NOT just 'teaching' copy...

We're writing copy, everyday.

And we've collectively worked with dozens of 8-figure brands, high-level entrepreneurs, NYT best-selling authors, and brand named businesses who are expecting BIG results from spending 6-7 figures in advertising every month.

So here's the deal...

We want to review every single word you (or your copywriters) write.

Every email...

Ad...

Lander...

Sales page...

And give you ***detailed feedback on it in 24 hours*** or less...

Transforming your copy to **"A-level"** overnight...

So you never wonder if your copy is good enough...

Never waste time second-guessing your work again...

And never worry about a client second-guessing you either.

If you want to make sure your copy always 'hits the mark' for each client...

Simply have your copywriter whip up their best stuff...

Send it to us...

And we'll do the rest FOR you...

You Get Feedback, On-Demand!**

How It Works In 3 Simple Steps:

Resulting in world-class copy, on your desk, the very next day.

Since this is an intimate approach...

Your work will NOT be shared with anyone else.

We take 'client confidentiality' very seriously.

But, that also means that these feedback sessions are no holds barred...

We'll be real, raw, and honest...

No sugar coating...

We'll tell you EXACTLY what you need to hear...

And overdeliver every single time by covering more than just the words itself...

But the core components of structure...

Style...

Flow...

Funnels...

Offers...

Strategy...

And much more.

Because we're a couple of copy dudes who love the game...

...and **actually care about you, and your clients' success.**

If that sounds like the exact thing you need to scale your agency and get better results overnight for your clients'...

Right here, on this page, you can schedule a call to test our copy knowledge.
