In the event of an incomplete month, refunds will be calculated as follows: 25% of the monthly fee for every consecutive, continuous two weeks of class suspensions.

The monthly bus fee is calculated as follows:

- By dividing semester one overall fee by 4.5 months (September to December as full months, August as half a month) and/or
- By dividing semester two overall fee by 5.5 months (January to May as full months, June as half a month).
