\t - <(name) always wanted to go out honorably.>
\t - <So long as they did their work, (name) was at peace with death.>
\t - <(name) should've hired their own bodyguard.>
\t - <Yeah but who was guarding (name)'s body?>

<122/123/6125/124/125/6037>

\t - <(name) won't be investigating anymore.>
\t - <(name) played bad cop one too many times.>
\t - <(name) ate too many donuts.>
\t - <(name) ate a donut gone bad.>
\t - <(name) has turned in his badge.>
\t - <(name) never knew the truth.>
\t - <(name) has been pushed off his rocker.>

\t - <Looks like (name) forgot the difference between a donut and a gun again.>
\t - <(name) didn't know what hit him.>
\t - <(name) always feared the truth, now they face death.>
\t - <(name) knew this was going to happen.>
\t - <(name) shouldn't have trusted the man in the hockey mask holding a chainsaw.>
\t - <(name) never got to out their report.>
\t - <They always told (name) that eating too many doughnuts would kill him.>
\t - <(name) barely put up a fight.>

<126>

\t - <(name) was blinded.>
\t - <(name) didn't watch their back.>
\t - <(name) watches the inside of the coffin now.>
\t - <(name) didn't see it coming.>
\t - <(name) should have seen this coming.>
\t - <No one was watching when (name) disappeared.>
\t - <(name) should have had someone to watch them.>
\t - <(name) wasn't watching very well.>
\t - <Watch out! No really, (name) is out for the count.>
\t - <(name) was minding his business watching the town when he heard, "Watch this!." Turning around, he saw Johnny Gooch's uzi inches from his face. What a glorious way to die!>

<127>

\t - <(name) was led astray.>
\t - <(name) followed a path to their own grave.>
\t - <(name) mistakenly followed a bear to their cave.>
\t - <(name) had their footsteps traced.>
\t - <(name) followed the trail a little too closely.>
\t - <No one knew how (name) went missing without a trace.>
\t - <Even someone of (name)'s skill couldn't track where they had gone.>
\t - <Not even the top of the line tracking devices could find (name).>
\t - <(name) shouldn't had someone keep track of their whereabouts.>
\t - <(name) followed the wrong guy into a dark alley.>

<230>

\t - <(name) came too close to the truth...>
\t - <(name) leapt from the roof.>
\t - <(name) arrived to their own crime scene.>
\t - <(name) learned that death was not elementary.>
\t - <(name) won't be spilling any more secrets.>
\t - <(name) detected that they had died.>
\t - <After investigations, (name) realized that they were dead.>
\t - <If only (name) had solved the mystery sooner, then they wouldn't be dead.>

\t - <(name) felt that the greatest mystery to solve was what came after death.>
\t - <Dying is elementary, my dear (name). Elementary.>

<2091>

\t - <(name) won't be drinking gin and juice anymore.>
\t - <Curiosity killed (name).>
\t - <(name) should have kept his nose out.>
\t - <Some people, like (name) should have minded their own business.>
\t - <After a night of snooping around, (name) never found their way back home.>
\t - <(name) didn't realize their killer was carrying a gun.>
\t - <(name) should've stolen that bulletproof vest they saw someone else had.>
\t - <(name) snooped on the wrong person.>
\t - <(name) knew they'd get into trouble in their line of work>
\t - <(name) was too snoopy.>

<2210>

\t - <(name) uncovered the wrong secret.>
\t - <(name) was just a little too nosy.>
\t - <(name) wrote a bad review.>
\t - <(name) has reached a full stop.>
\t - <(name) got a system message that told them that they were dead.>
\t - <Looks like someone never wanted (name) to publish that story.>
\t - <At least (name) could take solace in that they died in their line of duty.>
\t - <(name) is curious who will cover the story now.>
\t - <(name) will be having an interview with death.>
\t - <(name) has died in the night. More at 5.>

<166>

\t - <Hanging around dead bodies finally got to (name).>
\t - <(name) decided to join one of their subjects.>
\t - <(name) won't be coming out of the morgue anymore.>
\t - <(name) can still be found in the graveyard.>
\t - <(name) was always a little too fascinated with death.>
\t - <(name) will never know who will perform their autopsy.>
\t - <(name) always wanted to know what death felt like.>
\t - <Looks like there's no one to find out what caused (name)'s death.>
\t - <In their field, there's no real retirement for (name), only death.>
\t - <(name) was found on their own operating table.>

<5927>

\t - <(name) suffered death.>
\t - <(name) was diagnosed with a severe case of bullet to the head.>
\t - <(name) is spending more time with corpses than ever before.>

\t - <(name) chose a different path.>
\t - <(name) was killed by someone who would've benefited from a few sessions with them.>
\t - <(name) will never get to see those precious system messages from the day before.>
\t - <Some wondered what (name) really wanted to find out.>
\t - <(name) really got into his work this time.>
\t - <In their line of work, one always wonders what it is like to be dead. For the sake of modern medicine, (name) died an honorable death.>
\t - <The bugs got (name) and he couldn't be helped in time.>

<128>

\t -<(name) went rogue.>
\t -<(name) learned they could not fly the hard way.>
\t -<(name) has been dealt someone else's brand of justice.>
\t -<(name) shouldn't have shot night one.>
\t - <(name) shouldn't have gone rogue.>
\t - <(name) won't ever have the opportunity to do it by the book now.>
\t - <(name) should've been more vigilant.>
\t - <(name) will never get to take justice into their own hands again.>
\t - <(name) failed to keep the city clean.>
\t - <(name) watched too many Chuck Norris movies and realized that punching a guy with a gun gets you killed. Should've used your gun, man.>

<349>

\t -<(name) is now with the Walking Dead.>
\t -<(name) was shot by Bob Marley.>
\t -<(name) was beaten to the draw.>
\t - <(name) is going to need a new sheriff in town.>
\t - <(name) couldn't handle the wild west.>
\t - <(name) wishes that they shot the deputy instead.>
\t - <Looks like this town wasn't big enough for the two of (name) as their killer.>
\t - <(name) lost in a duel.>
\t - <(name) should've been quicker.>
\t - <Mafia shot the sheriff, but they didn't shoot the deputy. (name) has died.>

<2090>

\t -<(name) won't be showing up for work again.>
\t -<(name) was not shot by Bob Marley but died anyway.>
\t -<(name) was actually shot too.>
\t - <(name) wishes their sheriff got shot instead.>
\t - <(name) died a pretty normal death unrelated to their profession.>
\t - <(name) was shot by someone who didn't reveal themselves either.>
\t - <(name) has turned in their badge.>
\t - <(name) lost in a duel.>

\t - <(name) never got their shot for a promotion.>
\t - <Barney Fife would have been proud of you, (name). Real proud?>

<945>

\t -<(name) stumbled into their grave.>
\t -<(name) stumbled into traffic.>
\t - <(name) won't be walking anymore.>
\t - <(name) will be sleeping for a long time.>
\t - <(name) will only be walking as a zombie now.>
\t - <(name) shouldn't have walked into that intersection.>
\t - <(name) never thought they were anything but a normal villager.>
\t - <(name) won't have to worry about their night terrors anymore.>
\t - <(name) shouldn't have wandered out of the house.>
\t - <(name) is now the walking dead.>

<6302>

\t - <(name) was stabbed by a mass murderer.>
\t - <As usual, (name) was in the wrong place at the wrong time.>
\t - <(name) did not meet a civil end.>
\t - <(name) probably should've learned some survival skills.>
\t - <(name) never should've wandered into Comp Lobby.>
\t - <(name) could've used some help.>
\t - <Some wondered how helpless (name) really was.>
\t - <"Help!" they cried, but no one answered (name) in time.>
\t - <(name) wandered into the military base unnoticed. Unfortunately, landmine detection exercises were under way. He found one.>
\t - <(name) is now a citizen of heaven. At least it's civil there.>

<4182>

\t - <(name) was suspected.>
\t - <(name) has finally been proven as innocent.>
\t - <(name) is no longer a concern.>
\t - <I thought it was (name), he's so... suspect. Too bad he died.>
\t - <No one will ever know whether (name) was innocent. He'll take his information to the grave.>
\t - <(name) moved to Italy, where you're guilty until proven innocent and was never seen again.>
\t - <Don't you feel bad that you fos'd (name) now that he's dead? You should.>
\t - <Everyone suspects that (name) is dead.>
\t - <I prefer to call (name) "The Suspectinator.">
\t - <The best suspect is a dead suspect. (name) has died. >

<130>

\t - <(name) was overthrown.>
\t - <(name) abdicated from life.>
\t - <(name) won't be leading anymore.>
\t - <(name) was led to the grave.>
\t - <(name) should've led on mafia when they had the chance.>
\t - <Who will lead the town now that (name) is dead?>
\t - <(name) will never get to deliver that speech.>
\t - <(name) was led astray.>
\t - <(name) was led down the wrong path for the last time.>
\t - <(name) was a great man. We probably shouldn't follow his lead here.>

<131>

\t - <(name) won't be dodging any more bullets.>
\t - <(name) tried to fake their own death a little too well.>
\t - <I'm (name) nothing to lose. Fire away, fire away...>
\t - <(name) forgot their vest at home.>
\t - <(name) was proven wrong.>
\t - <Next name maybe (name) will be bulletproof.>
\t - <(name) should have worn their vest to bed.>
\t - <(name) wasn't as invulnerable as they thought.>
\t - <(name) was shot somewhere where the vest didn't cover.>
\t - <(name) was shot twice and died a horrible death. Should have bought the extra strength!>

<3047>

\t - <(name) died of blood loss.>
\t - <(name) is swimming in their blood.>
\t - <(name) should've visited a doctor.>
\t - <(name) has run dry.>
\t - <(name) probably should've gotten some more bandages.>
\t - <(name) is bloody tired of bleeding so much.>
\t - <(name) could've used some better bandages.>
\t - <(name) was found with a few blood stains on their clothes.>
\t - <(name) bled to death.>
\t - <No one was surprised when (name) bled to death.>

<132>

\t - <(name) knew that hauling around dangerous explosives on their person at all times would eventually come in handy.>
\t - <(name) blew up.>
\t - <(name) sploded.>
\t - <(name) says "BOOM!">
\t - <(name) was detonated.>
\t - <(name) was diffused.>

\t - <(name) brought new meaning to the phrase, "You're da bomb.">
\t - <(name) went out with a bang.>
\t - <(name) had a blast.>
\t - <(name) had a short fuse.>

<133>

\t - <Guess someone didn't like (name)'s homemade cookies.>
\t - <Nobody knows how (name) died.>
\t - <(name) forgot to feed their cats.>
\t - <(name) is old news.>
\t - <(name) got run over by a reindeer.>
\t - <(name) died of old age.>
\t - <(name) was widowed for a little too long.>
\t - <(name) should've seen the doctor when they were told to.>
\t - <(name) decided it was finally time.>
\t - <(name) had made a SPECTACLE of herself when she CANED an intruder and was shot dead. Brave or stupid? I don't know....it DEPENDS.>

<134>

\t - <The tables suddenly turned for (name)>
\t - <(name) became the hunted.>
\t - <Looks like (name) won't be going hunting again anytime soon.>
\t - <(name) was hunted down.>
\t - <Rabbit Season! Duck Season! Rabbit Season! (name) Season!>
\t - <(name) probably shouldn't have killed that bear.>
\t - <(name) should've watched their back.>
\t - <(name) didn't leave a trap.>
\t - <(name) won't have to worry about misfiring now.>
\t - <(name)'s last words were, "MOOOOOOOOOOOOSE!" >

<2340>

\t - <(name) cried a little too much.>
\t - <(name) will cry no more.>
\t - <Now it's (name)'s family's turn to cry.>
\t - <(name) has been killed. Floodgates won't be needed anymore.>
\t - <(name) should have kept his mouth shut.>
\t - <Who will cry at (name)'s funeral?>
\t - <No one knew why (name) didn't come to work this morning.>
\t - <A voice cries out: (name) has been killed!>
\t - <Extra, extra, read all about (name)'s death.>
\t - <Looks like there will be a new job opening with (name)'s death.>

<2361>

\t - <(name) is probably dead, but the body has yet to be found.>
\t - <(name) wasn't invisible long enough.>
\t - <(name) was found drenched in their own blood.>
\t - <(name) was never seen again.>
\t - <(name) is nowhere to be seen.>
\t - <Is (name) dead or simply in hiding? No one will ever know for sure.>
\t - <Looks like (name) walked in on the wrong meeting.>
\t - <(name) clearly wasn't invisible to the man with the gun.>
\t - <At least (name)'s crime scene wasn't a mess.>
\t - <Where did (name) go this time? I rarely see him.>

<568>

\t - <Looks like the town didn't approve of (name)'s new laws.>
\t - <(name) won't be attending next year's Super Bowl.>
\t - <(name) pulled the wrong strings to get elected.>
\t - <(name) made a wrong turn.>
\t - <(name) made a few too many political enemies.>
\t - <(name) got overturned to.>
\t - <(name) should've done a better job upholding the law.>
\t - <(name) will need someone to take their place in office.>
\t - <(name) fell in love with his maid, insisted he be called "Governator" and then disappeared.
Don't cry, you bunch of girly girls.>
\t - <(name) shouldn't have double crossed the mafia.>

<2372>

\t - <Guess (name) didn't see this coming>
\t - <(name) was lost in thoughts... and life>
\t - <(name) caused too many headaches>
\t - <(name) cannot communicate from the grave.>
\t - <(name) should've tried to soothe their assailants.>
\t - <The town is getting a message from (name), saying they've died.>
\t - <You received a message from (name). "Help, I'm dead!">
\t - <(name) shouldn't have tried talking to the mafia.>
\t - <No one will ever know who (name) last tried to contact.>
\t - <Someone should've tried to contact (name) a bit earlier.>

<135>

\t - <(name) was double-crossed.>
\t - <(name) should have kept themselves secret.>
\t - <Agent (name) was no match for The One.>
\t - <(name) didn't live twice.>
\t - <(name) didn't die another day. They died last night.>
\t - <(name) shouldn't have double-crossed.>

\t - <(name) was careless.>
\t - <(name) should've slept with one eye open.>
\t - <(name) should've taken better precautions.>
\t - <(name) flirted a little too much with danger.>

<1183>

\t - <(name) was too well known.>
\t - <(name) couldn't take the fame.>
\t - <(name) was in the news again--this time in the obituary section.>
\t - <(name) died before even their mixtape got out.>
\t - <(name) made the headlines for the last time.>
\t - <(name) crumbled on stage.>
\t - <(name) got stage fright.>
\t - <(name) started doing a few too many drugs.>
\t - <(name) shouldn't have rolled with the wrong crowd.>
\t - <(name) apparently wasn't worth the \$1 million ransom.>

<1409>

\t - <(name) will never be awoken by anyone anymore.>
\t - <(name) cried wolf.>
\t - <Somebody decided to shut the mouth of (name).>
\t - <(name) died in their sleep.>
\t - <(name) should have kept quiet.>
\t - <(name) didn't go out quietly.>
\t - <(name) should've stopped running their mouth.>
\t - <(name) mouthed off to the wrong person.>
\t - <"Curses! I'm dead!", cried (name).>

<136>

\t - <(name) was found dead with a grey cape.>
\t - <(name) died in their path of fighting for the new world order.>
\t - <(name) made some wrong choices.>
\t - <(name) shouldn't have visited the mafia last night.>
\t - <(name) should've done some more background checks.>
\t - <(name) shouldn't have been so adamant about their beliefs.>
\t - <(name) shouldn't have mismasoned.>
\t - <(name) won't have to worry about mismasoning now.>
\t - <(name) died for their cause.>
\t - <(name) was as hard headed as masonite. His chest, however, was not.>

<347>

\t - <(name) was on the wrong side of the force.>
\t - <(name) didn't die nobly.>

\t - <(name) was assassinated.>
\t - <(name) is going to need someone to watch out for his other templar buddies now.>
\t - <(name) shouldn't have gone off alone.>
\t - <(name) should've joined a different organization.>
\t - <(name) met their doom.>
\t - <I knew (name). We worked in the same office. Pity that he died. Can I have his office now?>
\t - <Well, (name) bit the dust.>
\t - <Templarily speaking, (name) took out a huge life insurance policy. Never trust your cousin insurance broker.>

<153>

\t -<(name) was found dead in the big house.>
\t -<(name) swallowed the key.>
\t -<(name) forgot to lock the cell.>
\t -<(name) has been locked up for good.>
\t - <(name) is now partying it up with Elvis, singing "Jailhouse Rock.">
\t - <Nobody knows the troubles he's seen. Nobody knows his sorrows. Mainly because (name) is dead.>
\t - <Jack Sparrow grinned his toothy grin at (name). "Oy mate, 'ow 'bout a bit o yer grog so that I might wet my whistle," Jack asked. Jack is free as a bird and our jailer is now dead.>
\t - <The only thing left was the dog holding the key. (name) was out like a light and didn't see it coming. RIP.>
\t - <(name) smiled softly as he slipped into unconsciousness and thought, "I can now go sing with Johnny Cash the "Folsom Prison Blues.">

<461>

\t -<(name) died of food poisoning>
\t -<Looks like (name) served themselves today>
\t -<(name) had their goose cooked>
\t -<(name) watched so many cooking shows and never realized that when you flambe' you hold the dish away from your body.>
\t -<(name) died. Bork bork bork.>
\t -<(name) died while making the Godfather a supper he couldn't refuse.>
\t -<Don Corleone doesn't like zucchini. (name) found out the hard way.>
\t -<(name) served broken leg of lamb to the mafia, thinking it would be funny. It obviously was not funny.>
\t -<Note for (name) from The Godfather. "My love for you came and went and now your feet are in wet cement.">

<384>

\t -<(name) lost their coat.>
\t -<People never really trusted (name).>
\t -<(name) should have made up their mind.>
\t -<"What's the difference between the mafia and the government," he asks, "only one is organized!" Secret agents swarmed the building and (name) had no chance of survival.>
\t -<(name) turned over a new leaf, unfortunately it was 8 feet under.>
\t -<(name) thought he was town. That is....until he went to say hello to the vigilante. Farewell confused fellow.>
\t -<Poor guy, (name) had an identity crisis and had to be exterminated.>
\t -<(name) was angry at Admin for claiming they had checked the database for his role and had a heart attack.>
\t -<(name) turned in their coat.>
\t -<(name) dropped his coat and when he went to pick it up, got run over by the postal express carriage. What a way to die.>

<2216>

\t - <(name) crystallized their death>
\t - <The readings were never great for (name)>
\t - <(name) drew the wrong attention>
\t - <Not so enchanting now, are you (name)?>
\t - <All she wanted to do was enchant pretty things to make the world a happier place. How could she know that enchanting Miley Cyrus would create a monster?>
\t - <There's nothing better than a beautiful enchantress. (name) wasn't beautiful, but will still be missed.>
\t - <How about an enchanting story? (name) died. The end.>
\t - <(name) didn't really die. They just signed on to Walt Disney to be the next hero for their next animated feature presentation.>
\t - <(name) slipped while ice skating and died a sudden death.>

<1026>Priest

\t - <(name) learned their God wasn't watching over them that night>
\t - <Thy Kingdom Come for (name)>
\t - <(name) led a good life>
\t - <(name) is doubly holy now>
\t - <(name) should have prayed for themselves.>
\t - <(name) didn't believe hard enough.>
\t - <(name) has found the afterlife.>
\t - <(name)'s time has come.>
\t - <(name) will someday be remember as a saint.>

<279>

\t - <(name) played with their own trap>

\t - <(name) activated their trap before they could get out of it>
\t - <(name) couldn't find a way out of this one>
\t - <(name) got trapped.>
\t - <(name) shouldn't have let themselves fall for that trap.>
\t - <(name) was ensnared!>
\t - <(name) was found with a bear trap clenched around their ankles.>
\t - <(name) fell into a trap door.>
\t - <(name) fell for their own trap.>

<168>

\t - <(name) had a yeast contamination>
\t - <(name) was in a loaf or death situation. They're toast now>
\t - <(name) was cooked in their own oven>
\t - <Mulberry Lane wasn't safe for (name)>
\t - <(name) is brown bread>
\t - <(name) couldn't handle the heat and had to get out of the kitchen>
\t - <(name) got too baked and passed out.>
\t - <(name) caught on fire.>

\t - <(name) will never know true romance now.>

\t - <(name) wanted to go out like Romeo and Juliet, but instead died alone.>

\t - <(name) never got to speak about their true feelings.>

\t - <(name) looked up to the wrong guy.>

\t - <(name) admired killers, but now may have to admire death.>

\t - <It was no secret admirer that died, but (name).>

<6157>

\t - <(name) died of old age.>

\t - <(name) won't be cleaning any more houses.>

\t - <(name) won't be getting any older. >

\t - <(name) will need to hire a new maid to clean up the mess.>

\t - <(name) won't be causing anymore mischief.>

\t - <(name) was "made" a little too old.>

\t - <(name) will keep their casket clean now.>

\t - <(name) was found face first in a pail of ammonia.>

\t - <(name) shouldn't have eaten the laundry detergent.>

<1978>

\t - <(name) tried to spread things around too much.>

\t - <No one liked (name) anyway.>

\t - <(name) is no longer among us.>

\t - <(name) surprisingly didn't get much support.>

\t - <(name) had total rule, but at what cost?>

\t - <(name) couldn't strongarm his way out of this.>
\t - <(name) was found in the street with a lit candle burning the fat in his corrupt belly.>
\t - <(name) should've kept more trustworthy advisors.>
\t - <(name) was assassinated.>
\t - <(name) should've gotten a bodyguard.>

<161>

\t - <No one liked (name) anyway.>
\t - <Thanks to a majority vote, (name) was elected.>
\t - <(name)'s lies came back to haunt him.>
\t - <(name) has sided with death.>
\t - <(name) didn't campaign hard enough for their life.>
\t - <(name) made a few too many enemies in office.>
\t - <(name) should've given out those political favors they had promised.>
\t - <(name) had sketchy backers.>
\t - <(name) shouldn't run a better campaign.>
\t - <The mafia passed the most votes to kill (name).>

<142>

\t - <(name) was silenced.>
\t - <(name) died a quiet death. >
\t - <(name) seems to have lost his voice.>
\t - <(name) has gone very quiet.>
\t - <(name)-.....>
\t - <(name) has nothing to say.>
\t - <Whose quiet now? (name) is.>
\t - <It looks like the cat has (name)'s tongue.>
\t - <(name) didn't go out quietly.>
\t - <(name) doesn't want to talk about this.>

<8728>

\t - <(name) blindly walked into a pit of deadly squids.>
\t - <(name) should have went to Specsavers.>
\t - <(name) didn't see it coming.>
\t - <(name) was blinded!>
\t - <(name) couldn't see this coming.>
\t - <(name) was blinded by the light.>
\t - <(name) should've used their other senses to avoid this.>
\t - <(name) should've gotten a seeing eye dog.>
\t - <(name) blinded the wrong guy.>
\t - <(name) may have blinded their assailant, but certainly not their gun.>

<283>

\t - <(name) was lag-switched.>
\t - <(name) misclicked.>
\t - <(name) got no scoped.>
\t - <(name) is not a crazed gunman, Dad.>
\t - <(name) should have kept hidden.>
\t - <(name) was sniped.>
\t - <(name) was shot from long range.>
\t - <(name) misfired.>
\t - <(name) should've hidden in a better spot.>
\t - <(name) should've paid for better camo.>

<3564>

\t - <(name) was an illusion the whole time!>
\t - <The magic trick of (name) didn't go exactly as planned.>
\t - <Someone made (name) disappear.>
\t - <(name) is out of tricks.>
\t - <(name) was all smoke and mirrors.>
\t - <(name) wasn't a good magician and revealed their tricks.>
\t - <(name) couldn't figure a way out of this jam!>
\t - <(name) isn't fooling anyone.>
\t - <(name) wasn't really here, they were just a figment of your imagination.>

<2292>

\t - <(name) forgot which gun wasn't rigged to explode.>
\t - <(name) managed to sabotage their own fate.>
\t - <(name) has been messed with.>
\t - <(name) couldn't rig the gun in time.>
\t - <(name) should've rigged that gun.>
\t - <(name) couldn't rig the knife, unfortunately.>
\t - <(name) was sabotaged.>
\t - <(name) got fooled by their own device.>
\t - <(name) had a few too many angry customers.>

<143>

\t - <(name) took their job a little too seriously.>
\t - <(name) didn't live long enough to get '不滅' inked on their neck.>
\t - <(name) may have left something behind.>
\t - <(name) knew this day would come.>
\t - <(name) hopes they added another to their ranks.>
\t - <(name) hopes the conversion was worth it.>
\t - <(name) was sacrificed.>
\t - <(name) wonders now if it's worth it.>

\t - <(name) did it for the greater good.>

<4533>

\t - <(name) was consigned to death.>
\t - <(name) was mugged on their way to the mafia meeting.>
\t - <(name) wasn't fooling anyone.>
\t - <(name) couldn't hide the truth.>
\t - <(name) couldn't convert back to town.>
\t - <(name) regrets becoming mafia.>
\t - <(name) was a little too sketchy for their own good.>
\t - <(name) got mixed up in the wrong crowd.>
\t - <(name) didn't advise their own death.>
\t - <(name) should've advised against this killing.>

<144>

\t - <(name) was found out.>
\t - <(name) wasn't as innocent as they looked.>
\t - <(name) has reached the final act.>
\t - <(name) won't be running the show now.>
\t - <(name) died on the day of his daughter's wedding.>
\t - <(name) should've had a bodyguard.>
\t - <(name) knew that looks could be deceiving.>
\t - <(name) was found with a horse's head in their bed.>
\t - <(name) knew this day would come.>
\t - <(name) is no longer the Don.>
\t - <(name) was found face first in a plate of spaghetti.>

<145>

\t - <(name) was framed.>
\t - <(name) messed with the wrong guy.>
\t - <(name) always regretted not pursuing their family's picture framing business.>
\t - <(name) couldn't shift the blame this time.>
\t - <(name) was genuinely guilty.>
\t - <(name) claimed to have been framed, but no one believed him.>
\t - <(name) photoshopped his death message.>
\t - <(name) will have to have their face blacked out in those old photos now.>
\t - <(name) wasn't framed.>
\t - <(name) tried to frame their assailant, but they found out.>
\t - <(name) couldn't make themselves appear innocent.>

<146>

\t - <(name) got into the wrong car with the wrong person.>
\t - <(name) had a wild night.>

\t - <(name) declined protection!>
\t - <(name) forgot to tell their pimp where they were headed.>
\t - <(name) had one too many wild nights.>
\t - <(name) was found dead in a dumpster.>
\t - <(name) was choked out.>
\t - <(name) finally succumbed to syphilis..>
\t - <(name) should have used protection.>
\t - <(name) shouldn't have taken that call.>
\t - <(name) didn't die from an STD, just bullets.>

<147>

\t - <(name) was located.>
\t - <(name) was kicked out from Hollywood.>
\t - <(name) had their face uncovered.>
\t - <(name) can't pretend anymore.>
\t - <(name) should've guised out.>
\t - <(name) couldn't hide their identity this time.>
\t - <(name) was unmasked.>
\t - <(name) transcended the mask and made their facade a reality. However, they still died.>
\t - <(name) suffocated from that poorly crafted mask.>
\t - <(name) won't be faking out anyone anymore.>
\t - <(name) didn't pass that guise test.>

<429>

\t - <(name) played one too many roles.>
\t - <(name) broke a leg.>
\t - <(name) forgot to pick someone.>
\t - <(name) acted out.>
\t - <(name) didn't get the part.>
\t - <(name) won't be getting the lead role now.>
\t - <(name) wasn't the understudy for death.>
\t - <(name) should've had a better audition.>
\t - <(name) played the role of the zombie a little too seriously.>
\t - <(name) is a method actor. To learn how to play the living dead, they had to die first.>
\t - <(name) is now a D-list actress: The dead-list.>

<182>

\t - <(name) is suited with death.>
\t - <It seems death suits (name) just fine.>
\t - <(name) was switched up.>
\t - <(name) has been suited up for death.>
\t - <(name) will be wearing that custom fit suit in the grave.>
\t - <(name)'s death was tailor-made.>

\t - <(name) was strangled with yarn!>
\t - <(name) had a few sewing needles sticking out of them.>
\t - <(name) could use some patching up.>
\t - <(name) wore out their clothes, just like their welcome.>

<1365>

\t - <(name) decided to read the daily mail.>
\t - <The death of (name) made headlines in local newspapers.>
\t - <(name) would like to inform you that he is dead. >
\t - <(name) won't be dishing out any more dirt.>
\t - <(name) knew a little too much.>
\t - <(name) wasn't that well-informed after all.>
\t - <(name) wasn't informed about this.>
\t - <(name) didn't get the news fast enough.>
\t - <(name) didn't look over their shoulder while reading the paper.>

<2637>

\t - <(name) tripped on a ladybug.>
\t - <(name) didn't even lift.>
\t - <(name) went to the gym and never came back.>
\t - <(name) wasn't so tough after all.>
\t - <(name) overdosed on steroids.>
\t - <(name) ragequit.>
\t - <(name) was tossed aside.>
\t - <(name) had some serious back issues from all the lifting they did in their youth. They had a few too many herniated discs and passed away.>
\t - <(name) wasn't that strong, man.>
\t - <(name) won't be competing in the World's Strongest Man competition this year.>
\t - <(name) needs to find someone big enough to carry their corpse.>

<148>

\t - <(name) will have to clean up their own corpse today.>
\t - <(name) was found digging his own grave.>
\t - <(name) kicked the bucket. >
\t - <(name) can't clean up this mess.>
\t - <(name) has been swept under the rug.>
\t - <(name) slipped on a puddle of water is what they said. I bet it's something more.>
\t - <(name) couldn't clean up their own mess.>
\t - <(name) should've cleaned up the scene better.>
\t - <(name) was found covered in bleach.>
\t - <(name) was found face first in a mop bucket.>
\t - <(name) was impaled by a broom.>

<789>

\t - <(name) AXEd one too many many question and was AXEecutioned.>
\t - <(name) asked too many questions. >
\t - <(name) should have questioned his methods.>
\t - <(name) will see you later alligator.>
\t - <(name) interrogated the wrong guy.>
\t - <(name) was interrogated.>
\t - <(name) shouldn't have executed that guy's brother.>
\t - <(name) made too many enemies.>
\t - <(name) gave away their identity to the wrong person.>

<5670>

\t - <(name) was too quiet to plead not guilty.>
\t - <The plan of (name) was overheard and stopped.>
\t - <(name) faded away like a whisper.>
\t - <(name) couldn't call for help.>
\t - <No one could hear (name)'s cry for help.>
\t - <(name) can only whisper to the grave now.>
\t - <(name)'s words were lost with the wind.>
\t - <(name) should've spoken up.>
\t - <(name) whispered to the wrong guy.>
\t - <(name) whispered sweet nuttins to what ended up being da boss's new sweet thing and promptly "disappeared.">

<149>

\t - <(name) was caught.>
\t - <I spy with my little eye that (name) has been killed!>
\t - <(name) didn't realize he was being watched.>
\t - <(name) spied on the wrong guy.>
\t - <(name) was spied on.>
\t - <(name) shouldn't have contacted the townies.>
\t - <(name) send a message to the wrong person.>
\t - <(name) didn't see this one coming.>
\t - <(name) wasn't careful enough.>

<150>

\t - <(name) has no case to answer>.
\t - <(name) couldn't defend himself!>
\t - <(name) couldn't object fast enough.>
\t - <(name) has rested their case.>
\t - <(name) won't be showing up to the court anymore.>
\t - <(name) failed to make a case.>
\t - <(name) was sentenced to death and executed.>

\t - <(name) couldn't talk his way out of this one.>
\t - <(name) didn't object to the death penalty.>
\t - <Objection! But it was overruled for (name).>

<1188>

\t - <(name) probably has a forged will.>
\t - <(name) can't forge his way out of this one.>
\t - <(name) isn't letting you see his real will. >
\t - <No one knows what (name)'s wishes were when they died.>
\t - <There's a 50% chance that (name) is still alive.>
\t - <(name) forged the wrong papers.>
\t - <(name) never left a will, oddly enough.>
\t - <(name) wants to tell you that this death message was forged!>
\t - <(name) was found with a pen in their chest.>
\t - <(name) tried to harm people with the written word whilst they were harmed by the bullet.>

<151>

\t - <Someone sleeps better at night, knowing (name) no longer haunts the streets.>
\t - <(name) died alone.>
\t - <(name) had an unhealthy obsession of the wrong person.>
\t - <(name) should have followed someone else. >
\t - <(name) spent too much time on Facebook.>
\t - <(name) has been put on restraining order.>
\t - <(name) knew a bit too much about this one person, but now will only get to know about death.>
\t - <(name) won't be stalking anymore.>
\t - <Some can take solace in (name)'s death.>
\t - <(name) stalked the wrong guy.>

<1280>

\t - <(name) had forced someone a little bit too much.>
\t - <(name) has been forced into an early grave. >
\t - <(name) obviously wasn't that tough.>
\t - <(name) couldn't stop their conversion to death.>
\t - <(name) was enforced.>
\t - <(name) shouldn't have been so pushy.>
\t - <(name) was forced to die.>
\t - <(name) died, but not without a fight.>
\t - <(name) won't be enforcing anything now.>
\t - <(name) couldn't enforce everything on time.>

<1067>

\t - <(name) was the ugly duckling. >

\t - <(name) quacked for the last time.>
\t - <(name) got a taste of his own medicine.>
\t - <(name) should've finished medical school.>
\t - <(name) couldn't escape the pending lawsuit.>
\t - <(name) needs to see a real doctor.>
\t - <(name) should've gone to a legitimate doctor.>
\t - <(name) didn't get much use out of those black market organs.>
\t - <(name) took a bad pill.>
\t - <(name) committed malpractice.>

<203>

\t - <(name) got a taste of their own medicine.>
\t - <(name) was drunk and mistook their cyanide for beer.>
\t - <(name) is now with good spirits.>
\t - <(name) feels worse than sick.>
\t - <(name) died slowly and painfully.>
\t - <(name) ironically went out pretty quickly.>
\t - <(name) drank the wine in front of them.>
\t - <(name) fell for the WIFOM.>
\t - <(name) shouldn't have spiked that drink.>

<157>

\t - <(name) was texting while driving.>
\t - <(name) shouldn't have drank that beer.>
\t - <(name) shouldn't have been playing Epicmafia while driving.>
\t - <(name) ran out of gas.>
\t - <(name) never found a parking spot.>
\t - <(name) has skidded to a halt.>
\t - <(name) was a real human being and a real hero.>
\t - <Jesus has taken the wheel for (name).>
\t - <(name) drove down the wrong road.>
\t - <(name) shouldn't have followed the GPS.>
\t - <(name) blew a red light.>

<5893>

\t - <Looks like it was finally (name)'s time to go.>
\t - <(name) died of old age, not guns.>
\t - <(name) died of old age.>
\t - <(name) lived a long and evil life.>
\t - <(name) was too old.>
\t - <(name) blamed it on the kids.>
\t - <(name) won't have to worry about the kids on their lawn now.>
\t - <(name) went out like Clint Eastwood in Gran Torino.>

\t - <(name) should've gone to the nursing home.>
\t - <(name) didn't take their meds.>
\t - <(name) should've lead a healthier lifestyle.>

<162>

\t - <(name) intercepted death.>
\t - <(name) got caught up in the wrong crowd.>
\t - <(name) shouldn't have meddled. >
\t - <(name) should've just been an NFL cornerback.>
\t - <(name) didn't get the message.>
\t - <(name) got the wrong message.>
\t - <(name) received mixed signals.>
\t - <(name) didn't get the message that they were set to die.>
\t - <(name) should've tapped the wires.>

<585>

\t - <(name) has played their last song.>
\t - <(name) was found beaten to death with a violin.>
\t - <(name) fiddled with the wrong piddle.>
\t - <(name) fell off the roof.>
\t - <If only (name) died as a rich man.>
\t - <(name) lost their duel with the devil.>
\t - <(name) shouldn't have played so loudly at night.>
\t - <(name) shouldn't have fiddled with that crowd.>
\t - <(name) broke their fiddle.>
\t - <(name) should've learned how to play a different instrument.>
\t - <(name) will only hear bagpipes now.>

<164>

\t - <(name) was avada kedavra'd to death.>
\t - <(name) was burned at the stake.>
\t - <(name) is really most sincerely dead.>
\t - <(name) sank to the bottom of the ocean.>
\t - <(name) shouldn't have gone to that witch trial.>
\t - <(name) fell into their cauldron.>
\t - <Bubble bubble, toil and - welp - caused trouble for (name).>
\t - <(name) shouldn't have kidnapped Tooty.>
\t - <(name) is melting.>
\t - <(name) was crushed by a house.>

<170>

\t - <(name) was found in the ventilation system.>
\t - <(name) had his tongue cut out and his throat slit.>

\t - <(name) doesn't feel like talking anymore.>
\t - <(name) will need someone else to talk for them now.>
\t - <(name) stuck their hand in the wrong place.>
\t - <(name) is now the dummy.>
\t - <(name) pulled the wrong strings.>
\t - <(name) should've stopped trying to pull the strings.>
\t - <(name) was the wrong guy's puppet.>
\t - <(name) won't be pulling the strings now.>

<1207>

\t - <LAME! (name) said the cursed word!>
\t - <The death of (name) was not seen in the cards.>
\t - <(name) at his own words>
\t - <Word on the street is that (name) is dead.>
\t - <(name) probably shouldn't have made so many enemies.>
\t - <It was only a matter of time until someone made a voodoo doll of (name).>
\t - <(name) now knows to speak no evil.>
\t - <(name) should've watched their mouth.>
\t - <(name) regrets that self-curse.>
\t - <(name) is bound to death.>

<180>

\t - <(name) stole a bullet to the head.>
\t - <(name) stole a ticking time bomb.>
\t - <(name) has been robbed of their life.>
\t - <(name) paid for his crimes.>
\t - <(name) stole from the wrong guy.>
\t - <(name) didn't steal, they simply paid with their life.>
\t - <(name) burgled until their final days.>
\t - <(name) now will need to steal a life.>
\t - <(name) learned firsthand that crime doesn't pay.>

<2590>

\t - <(name) accidentally froze their own heart.>
\t - <(name) is now static.>
\t - <Shocking! (name) was killed.>
\t - <(name) won't be able to feel anything anymore.>
\t - <(name) has stopped moving.>
\t - <(name) was frozen in fear and was shot 30 times. Only the first one hurts.>
