● FRRC

○ Will hold 2 faculty forums:

- Equity-minded faculty workloads; comes from American Council on Education conducted in wake of COVID-19. Copy of the study sent out in an email to the faculty.
- CUTE Survey in late April. At the April 5th Faculty Senate meeting, Allison BrickaLorenz from the Center for Postsecondary Studies at Indiana University will be attending and sharing her thoughts on OW results and will be available to answer questions.

● PRODiG

- Helping to facilitate the implementation of a new faculty peer mentoring program. This program is being offered at no cost to tenure track faculty on all 64 SUNY campuses. The peer mentoring program is designed to support the work of new tenure track faculty in their first two years across SUNY. Meetings will take place in Zoom every other week on Mondays, 2-3PM. For more informatin and how to register, see here: <https://sunycpd.eventsair.com/nfmp>

● Nominations and Elections

- Several vacancies available on important committees. The goal is to have more nominees; runners-up who receive enough votes can fill vacancies later if needed for the full terms (without the need for more temporary FS Chair appointment to fill a vacancy later). Can self-nominate or nominate someone else. Nomination form link: <https://forms.office.com/r/6kCnkc55Cb>. Thanks to Mohamed Khalefa, Marty Cooper, and Erik Benau for their hard work on the Nominations and Elections Committee

● Other Issues:

We will work with Academic Affairs to make revisions based on the recommendations. The revised handbook will be circulated to build consensus before going to the full faculty for a vote.

SPAAR met and has provided feedback to the subcommittees regarding the submitted goals. The subcommittees should respond to the feedback by March 15th. There will be a check-in event for the subcommittees on April 5th before the Faculty Senate meeting.
